

Some jokers say, "Cheer up, cheer up; if a long lane that has no turn" Don't you know it? Of course it's long lane that has no turn. How perfectly absurd to expect a fellow to "cheer up" because a long lane has no turn! We decline to cheer up for any such reason.

The stringency in the egg market is painful. There has been a large falling off in deposits of late, many of the hens having entirely suspended, while others are holding on to their reserves. It is thought, however, that nearly all will be able to resume in the spring, when the crops begin to move.

### Prospectus for 1874--Seventh Year.

## The Aldine,

AN ILLUSTRATED MONTHLY JOURNAL, UNIVER-  
SALLY ADMITTED TO BE THE HANDSOMEST  
PERIODICAL IN THE WORLD, A REPRESENTATIVE AND CHAMPION OF  
AMERICAN TASTE.

Not for Sale in Book or News Stores.

THE ALDINE, which is issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures, the finest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. The possessor of a complete volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there are the chromes besides!

### ART DEPARTMENT, 1874.

The illustrations of THE ALDINE have won a world-wide reputation, and in the centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of "steel plates," is rapidly yielding to a more educated and discriminating taste which recognizes the advantages of superior artistic quality with greater facility of production. The wood-cuts of THE ALDINE possess all the delicacy and elaborate finish of the most costly steel plate, while they afford a better rendering of the artist's original.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view of the highest artistic success and greatest general interest. Thus the subscriber to THE ALDINE will, at a trifling cost, enjoy in his own home the pleasures and refining influences of true art.

The quarterly tinted plates for 1874 will be by Thomas Moran and J. D. Woodward. The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

### PREMIUM FOR 1874.

Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromes. The original pictures were painted in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains, New Hampshire; the other gives The Cliffs of Great River, Wyoming Territory. The difference in the nature of the scenes themselves is a pleasing contrast, and affords a good display of the artists' scope and coloring. The chromes are each worked from thirty distinct plates, and are in size (12x16) and appearance exact for copies of the originals. The presentation of a so costly example of American art is a great honor, and the publishers of THE ALDINE were a bold but precariously happy idea and its successful realization is attested by the following testimonial over the signature of Mr. Moran himself.

NEWARK, N. J., Sept. 20th, 1873.  
Messrs. JAMES SUTTON & Co.,  
Gentlemen:—I am delighted with the proofs in color of your chromes. They are wonderfully successful representations by mechanical process of the original paintings. Very respectfully,  
THOS. MORAN.  
(Signed).

### TERMS.

\$5 per annum in advance, with 50 Chromes free. For 50 CENTS EXTRA, the chromes will be mounted, varnished and prepaid by mail.

THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; each for subscription must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in case where the certificate is given, bearing the seal-like signature of JAMES SUTTON & Co.

### CANVASSERS WANTED.

## THE PAPER! TRY IT!!

### BEAUTIFULLY ILLUSTRATED.

THE SCIENTIFIC AMERICAN now in its 20th year, enjoys the widest circulation of any weekly newspaper of the kind in the world. A new volume commences January 3, 1874.

Its contents embrace the latest and most interesting information pertaining to the progress of all Mechanical, and Scientific progress of the world. Descriptions, with beautiful engravings. New Inventions, New Implements, New Processes, and Improved Industries of all kinds; Useful Notes, Recipes, Suggestions, and Advice, by practical writers, for Workmen and Employers in all the various arts.

The SCIENTIFIC AMERICAN is the cheapest and best illustrated weekly paper published. Every number contains from ten to 15 original engravings of new machinery and novel inventions.

Engravings, illustrating Discoveries, Improvements, and Important works, pertaining to Civil and Mechanical Engineering, Milling, Mining, and Metallurgy; Records of the latest progress in the application of Steam, Steam Engineering, Railways, Ship Building, Navigation, Telegraphy, Telegraph Engineering, Electricity, Magnetism, Light and Heat.

Farmers, Mechanics, Engineers, Inventors, Manufacturers, Lovers of Science, Teachers, Clergymen, Lawyers, and people of all professions will find the "Scientific American" useful to them. It should have a place in every Family, Library, Study, Office, and Counting Room; in every Reading Room, College, Academy or School.

A year's numbers contain 82 pages and SEVERAL HUNDRED ENGRAVINGS. Thousands of volumes are preserved for binding and reference. The practical reader will find it worth ten times the subscription price. Terms, \$3 a year, in advance to clubs. Specimens sent free. May be had of all Newsdealers.

**PATENTS!** In connection with the SCIENTIFIC AMERICAN, Messrs. MUNN & Co. are Solicitors of American and Foreign Patents, and have the largest establishment in the world. More than 50,000 applications for patents have been made through their agency.

Patents are obtained on the best terms. Models of New inventions and sketches examined, and advice free. All patents are published in the Scientific American the week they issue. Send for pamphlet, 110 pages, containing laws and full directions for obtaining patents. Address for the Paper, or concerning patents, MUNN & Co., No. 37 Park Row, New York. Branch Office, Cor. F and 7th Sts., Washington, D. C.

## Dr. J. Walker's California Vinegar Bitters

Bitters are a purely vegetable preparation, made chiefly from the native berries found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

R. H. McDONALD & Co.,  
Druggists and General Agents, San Francisco, California, and cor. Washington and Charlton Sts., New York.  
Sold by all Druggists and Dealers.

No Person can take these BITTERS according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Congestive Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offerings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Stuffed Neck, Gout, Scrofulous Inflammations, Laid-out Inflammations, Mercurial Affections, Old Sores, eruptions of the Skin, Sore Eyes, &c., &c. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scabies, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no verminicides, no anthelmintics, will free the system from worms like these Bitters.

For Female Complaints, in younger or old, married or single, at the time of menstruation or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Jaundice.—In all cases of jaundice, rest assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile and favor its removal. For this purpose use VINEGAR BITTERS.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
