Dr. J. Walker's California Vinega

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Bierm Nevada mountains of California, the medicinal preperties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the asuse of the unparalleled success of Vinegan Bratms?" Our answer is, that they prisove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegan Bratms in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.
