will have to look to Mr. Hutchison to the ball men of the County. They attacked the interest of Northumberland? No!

The man who tries to do his best, He gets more kicks than all the rest. without giving due consideration to their utterances and he was sorry that his friend Mr. Analow of the Advocate had allowed himself to write excitedly and that the policy ho was pursuing was that the policy he was pursuing was clearly in the interest of the county and leading up to what was now accomplished. Passing from this he showed that there call hard names in his paper, from the columns of which he might have learned, had he only taken the trouble to do so was no organized opposition party, but on to Chatham with them, for he realised, that in each county where opposition that an opportunity for securing what was they intended to do. He had no doubt that the Advocate would apologise for its recklessness when Mr. Anslow realised the facts as he would prove them by documentary evidence. Mr. Anslow had fought it out alone. for itself would not be doing his duty if he did fought it out alone. for itself would not be doing his duty if he did not assist in b inging about the arrang-ment. On coming to Chether the secured and fourther the facts as he would prove them by the facts as he would prove them by documentary evidence. Mr. Analow had said one of his colleagues was an indian. No that gentleman, he knew, wouldn't feel like having an indian's revenge, but if he did he could not take Mr. Analow'a it. Dr. Atkinson of Carleton had. feel like having an indian's revenge, but caused the jean of Carleton had, Mr. Blair was, undoubtedly, sustained, if he did, he could not take Mr. Anslow's it. Dr. Atkinson of Carleton had, the prelimmaries of the arrangement were feel like naving an tatke Mr. Anslow's if he did, he could not take Mr. Anslow's scalp, for he was bald-headed as many scalp, for he was bald-headed as many the mod men were. [Laughter.] it. Dr. Atkinson of Carleton nad, since the election, seen Mr. Burchill, in the interest of the Opposition, of Solicitor-General and an equivalent to of Solicitor-General and an equivalent to scalp. stumpage question and asking them to do Northumberland would be as badly off as office and a square reduction of 25 cents stumpage question and asking them to do so in an attitude of opposition. The four were elected by large majorities over their Government opp-neuts. The electors of the County, when vacancies occured by reason of the resignations, in turn, Messrs. policy. And, supposing the four representatives of Northumberland had joined the opposition, with no reasonable pros-neck of obtaining the concessions now ernment supporters. It was further weakened by Mr. Hutchison going over pect of obtaining the concessions now secured, what would the electors say to secured, what would the electors say to them when they learned of their having refused what Mr. Blair had offerad? The at least, never did. He want to see Mr. to the Government, leaving him alone refused what Mr. Blair had offerad? They where the people had placed him to fight would say they were not fit for the pothe stumpage hattle on opposition lines ; sition to which they had been elected, and he would leave it to Mr. Morrissy to because when they had an opportunity say if, while often voting independently to secure what they had long contended with the Government, he did not consisfor, they were so blind as to let it go, tently oppose them on their stumpage unimproved. [Cheers.] Yes, and the
