The public are warned not to pay any attention to taggers who do not wear the regular badge. The mem-

Yesterday afternoon there was a busy time in the Keith Assembly rooms. Tag day workers had been invited to gather for the purpose of fastening cords on the tags. About one hundred responded to the invitation and spiendid progress was made. A very lange number of tags were finished during the afternoom, and in addition to these, mission bands, church clubs and other active organizations offered to take bundles of the little pasteboards to do up later. In all about half the fifteen thousand tags were accounted for, and it is hoped that all will be finished by Saturday, as on that afternoon another big rally is to be held.
