# CASTORIA

The Kind Yan Have Always Bought, and which has been in use for over 80 years, has borne the signature of and has been made under his per-Chart Hitchers Sonal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children-Experience against Experiment.

#### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Pares gorie, Drops and Soothing Syrups. It is Pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, cures Constipation and Flatulency. It assimilates the Food, regulates the Stomach and Bowels, giving healthy and natural sleep, The Children's Panacea-The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of Chart Fletchers The Kind You Have Always Bought

In Use For Over 30 Years.

### Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have benot often be needed. But since our systems have become weakened, impaired and broken down through
indiscretions which have gone on from the early ages,
through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discov-

ery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal The genuine has on its

R. D. Rienamas outside wrapper the Signature You can't afford to accept a secret nostrum as a substitute for this non-alco

holio, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pieroe's Pleasant Peliets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

### FAMOUS GEMS OF PROSE

GOD IS A PERSON WHO THINKS AND LOVES By Rt. Rev. J. J. Spaulding, D. D. Bishop of Peoria, III

From an essay "Agnosticism" in Vol. 2 of "Masterpieces of HE objection of Mr. Spencer, Matthew Arnold and other ag nostics, that personality is limitation, and consequently it is a delusion to suppose that "God is a person who the ary tendencies than himself. At all events there came over the cable yester day from London this despatch:

The people generally will not believe that the budget upon agricultural land is in the form of a letter to the London Times from Lord De helieve that it might lead to a gradual and loves," and that the most we can say is that He is "the unknown that the most we can say is the same that the most we can say is that He is "the unknown that the most we can say is the same that the most we can say is that He is "the unknown that th account of an eclipse. Also stories of men believe that it might lead to a gradual and La Warr, a Conservative peer who owns leaning toward tariff revision downward. Which all things fulfill the law of their being," or "the eternal leaning toward tariff revision downward." The Standard says: "Let us be perfectly frank. Commercial arrangements be rank. Commercial arrangements be cause a lizard crossed their path, are com- with no lessening of the output, and no the letter."

La Warr, a Conservative peer who owns starting out in quest of food returning be extensive readjustment of the business, as we have already seen, no adequate concerning to the letter. crease the tariff in either country would midable. We have, as we have already seen, no adequate concer and can only be the thin end of the wedge of political union. The negotiations at Ottswa represent the most momentous to their fishing if a black cat crosses the crisis which the Empire has experienced since the Boer war. Surely Canadian only be the thin end of the wedge of political union. The negotiations at Scotland where the men will refuse to go probably a change in regard to the market cultural land, and it has not even been for the coal, the probablity being that in either country remains to be seen, but, perfectly known, cause. Since our knowledge is a knowledge since the Boer war. Surely Canadian only be the thin end of the wedge of the market cultural land, and it has not even been in either country remains to be seen, but, perfectly known, cause. Since our knowledge is a knowledge in the coal, the probablity being that in either country remains to be seen, but, perfectly known, cause. Since our knowledge is a knowledge that any further burdens are to be imposed upon agriculturists, therefore be fatal to the party proposing it. How of anything, for the merest atom adheres in a universal system in either country remains to be seen, but, perfectly known, cause. Since our knowledge is a knowledge statesmen and the Canadian people can think out other means of meeting the ham of a dog to eat. As he returned with most and the Canadian people can the ham of a dog to eat. As he returned to the sleds and got the ham of a dog to eat. As he returned to the government. My chief reason is a power that He acts is to impose limits upon the infinite. cated analogically. He is more than we can know; more, thereis is a power, that He acts, is to impose limits upon the infinite; The young gentleman, or the old gentleman, or the old gentleman, who wrote thus solemnly, perhaps intended his words partly for the enhaps intended his words partly for the enhance to the Empire."

The movement in St. John real estate in Nova Scotia will evidently be thrown against reciprocity in coal, but in spite of the times. The city is getting and "tendency" manifestly involve limitation, while they seem to be in the first and their substituted and their substituted when hunt in St. John real estate in Nova Scotia will evidently be thrown against reciprocity in coal, but in spite of the same reason, is that owing to implement the finite and their substituted when hunt and their substituted when hunt in St. John real estate in Nova Scotia will evidently be thrown against reciprocity in coal, but in spite of the same reason, is that owing to implement the finite and their substituted when hunt and their substituted when hunt and their substituted in the finite and their substituted when hunt and their substituted when hunt and their substituted when hunt are substituted when hunt are substituted when hunt are substituted wh

a negation of thought and will. When some philosopher shall discover for us a mode of existen While investigations are in order the higher than that of thinking and loving, we shall listen with the efforts of men to deal with the problems of those benighted British subjects the men who dwell in this the chief of the King's loyal dominions oversea. It is to be regretted that men who write of Innoval to the men who write of Innoval to the men who write of Innoval to men to deal with the problems of men to deal with the p the water pressure. The figures secured by when we teach that "God is a person who thinks and loves," the ing conditions. By the way, have we a highest and the divinest truth known to man.
