It is evident, from the energy and we regret to be It is evident, from the energy and persistency with which this road is agitated, that there is vitality in the scheme. It has met with a great deal of opposition, and still survives. Active opposition has been given it by the promoters of the projected Aroostook Railway, but, now that the adverse vote of Bangor has temporarily put a damper on that promising scheme, the friends of the Shore Line are left to work up their enterprise as best they can.
