made an effort to convict the keeper of an unlicensed rum-mill, but the latter's friends swore him through, and he was bellions when they grow hungry. This makes it unpleasant for people generally, as business has to be suspended, and plundering submitted to, while the factions fight for power to plunder the people under forms of law. Here are the details of the recent outbreak in Hayti, mention of which has already been made in our despatches:

Saturday, the 1st of May, was celebrat
made an effort to convict the keeper of an unlicensed rum-mill, but the latter's friends swore him through, and he was with the Knights of Pythias left for Moncton this morning to institute a new lodge of the order there.

Foot races have commenced. One was run yesterday at Mount Pleasant between Geo. Kelly and Andrew McFarlane. The latter won an easy victory and carried off the \$40 stakes.

A pot of tar in the cabin of the wood boat President, at North Silp, upset last were lighted. The engines were called out and extinguished the sun stingled out and extinguished the tempts he at last accosted a gentleman at the scenarior of the sahore near St. Thomas on the night of Moncton this morning to institute a new lodge of the order there.
