

GAOL.

On Sunday mornings at 9:45 services are held at this point in the men's corridor. Work at the gaol is not of a very encouraging character, but it is hard to say what good at some future day may come from the words about the Saviour which seem at the time to fall into deaf ears.

TRACT DISTRIBUTION.

A number of tracts have been distributed at the Hospital and Gaol, and also at the Cottage Meeting on Primrose Hill, formerly maintained under the Association's auspices. A grant of 5000 tracts was recently made to the Association by the Upper Canada Tract Society, at Toronto, for use by any in the City who may wish to obtain supplies for distribution.

WEEK OF PRAYER.

The week of prayer in November for young men and Young Men's Christian Associations was duly observed here. The City Pastors together with the Rev. Canon Johnstone, of Hull, and the Rev. Jcs. Whyte, of Rochesterville, gave addresses. These meetings were of great profit, and were much appreciated by those who attended.

BIBLE CLASS.

The Bible Class has been kept up regularly under the leadership, during the early part of the year, of Mr. Jas. Gibson, and, during the latter part, of the Rev. R. Gavin. The attendance and the interest manifested have been very satisfactory. Early in the summer the then teacher of the class, Mr. Gavin, provided a social entertainment for the class, and also for the non-resident students of the Normal School, Collegiate Institute, and Business College. A bountiful supper was provided, followed by singing and addresses. A most enjoyable and profitable evening was spent.

UNION EVANGELISTIC MEETINGS.

Partly through the instrumentality of this Association the City was favoured with a visit from Mr. Oscar Owers, an agent of the English Evangelistic Society. The Afternoon Bible Readings and the Evening Meetings conducted by Mr. Owers were calculated to quicken the spiritual zeal of Christians, and to arouse the unconverted.
