The Curriculum of this College embraces every subject taught by any Ladies' College in the Province. It embraces all the subjects required for any Certificate, and carries the student through the Sophomore Year of University work.

The MUSIC Department carries the student through everything required for the Degree of Bachelor of Music, and furnishes instruction on all instruments taught in Conservatories of Music.

The ART Department affords instruction in every branch of the Science; Drawing, Water Colors, Oil Painting, China Painting, etc. A Diploma follows the completion of the course.

In the ELOCUTION Department the pupil is carried through to graduation on the methods adopted by the most advanced teachers of our day.
