### NOTHING RADICAL TO BE PROPOSED

A Survey of Suggested Amendments  
Before Coming O.H.A.  
Annual Meeting.

At the annual convention of the Ontario Hockey Association to be held next Saturday morning in Toronto, a number of amendments to the constitution, regulations and rules of competition will be considered.

Since 1904 a period of fifteen years, the stipulated amount to be guaranteed and paid by the home club has been 10c per mile for one way for eight men. Father Leo E. Gorman, of the Peterboro club has put in an amendment to increase the expense charges from 10c to 20c per mile, and make it for nine men instead of eight. Mr. J. Sturms, of Kitchener proposes it 25c per mile and for ten men. Senior Qualification.

Sheriff J. F. Paxton, of Whitby has introduced the following amendment: "In cities and towns desirous of playing in the senior series no club is to be admitted to membership unless it represents what is regarded by the O. H. A. executive as a bona fide, permanent and general established amateur club or association, and that in all towns and villages represented in the O. H. A. in any series precedence be given to clubs and associations representing the whole community."

Sheriff Paxton also gives notice of an amendment to strike out the "soldier privileges" residence dur-

ing the war, and to restore the privilege granted to a junior player living in a rural district, village or police village of playing in the nearest town or village to his residence which has an O. H. A. junior team. One Year Only.

The following clauses automatically expire this year, having been adopted for season of 1918-19 only: (a) Players absent from home after August 1 on national service, such as farm work, etc., to be granted certificates to play upon special application being made to the executive committee.

(b) Players residing in a town where there is no O. H. A. team may play with the club in the nearest O. H. A. town or village which has a population of 5,000 or less. This means that all players must play in their home towns this year and must qualify under the residence rule.

Mr. D. H. Cole, of Burlington has an amendment to debar O. H. A. senior players from playing any games at all in the intermediate series. He proposes that the rule be changed so as to read: "No man shall be eligible to play in the intermediate series who has played in one senior scheduled match in the same season." Mr. Cole points out the experience of his own club last year, which was eliminated by the Hamilton Tigers by the aid of several senior players, who qualified under the old rule. Intermediate Privileges.

Mr. A. W. Dick, of Seaford, has an amendment to the effect that the winning club of the O. H. A. intermediate series shall be allowed to compete for the Allan Cup emblematic of the Canadian

### ALL READY FOR SIX-DAY GRIND

New York, Nov. 29.—The week which New York annually gives to bicycle racing begins in Madison Square Garden tonight with a series of international sprint races. This preliminary affair, however, is merely a cocktail to whet the appetite of the lovers of bicycling for the annual six-day grind, which begins tomorrow night. Just one minute after the hour of twelve tomorrow night a revolver shot will start a bunch of speedy peddlers on the long race for fame and money. Of the latter there is to be an unusually large amount which will be distributed among the winning riders at the close of the contest. A total of thirty thousand dollars has been hung up in prize money, the largest amount ever meted for in this or any other country.

The foreign element will again be largely in evidence in the contest this year, as the close of the war has left the racers of England, France, Italy and other countries of Europe free to compete. Pitted against the European champions and near-champions will be an aggregation of Americans representing the fastest riders to be found in the United States. Nearly all of the most prominent contestants in the races of the past three or four years are again entered in the affair. Every rider who finishes in the race is paid by the management. No one is allowed to lose a week's work for nothing. In addition to this, the foreign stars are paid their traveling expenses, which is no small item in view of the fact that some of the contestants come from places as far distant as Australia. In addition to the prizes some of the stars are paid bonuses and taking it all in all, it is a very profitable week for them.

Among the foreign riders who are to be seen in the race this year for the first time are three crack Belgian racers Hector Tiberghien, Marcel Buysse, and George Speisens. Buysse and Speisens were second in the Brussels six-day race this year. Also new to the New York fans will be Alfred Bely and Amil Aretz, French riders.

Other foreign entries include Maurice Brocco, the Frenchman who proved the sensation of the six-day race here in 1913; Oscar Egg, the Swiss champion, and Marcel Dupuy, who has taken part in several of the New York races.

### WOODSTOCK HAS FAST INTER-MEDIATES

The Woodstock intermediates start active training early this week and Coach Breen and Trainer Simpson are optimistic.

A neat galaxy of stars are there including Hagerman, formerly of the fast Belleville team; Sandbrook, of fame; Eddie Rodden, of last year's Aurora team; King, the speed merchant; Dunlop, the classy goader, etc. Cohen, who played good hockey for Paris and Stratford for the past two years, is also attending school in Woodstock, and Gill, the fast Paris performer, is also in the city. Chances look good for a good intermediate squad and the junior team will be a fast tribe also. Some of last year's crack men remain and are eligible, and some new material is there as well.

### ANNUAL MEETING TO BE HELD IN CHICAGO

President Ban Johnson, of the American Baseball League, issued a formal call for the annual meeting of the league, to be held in Chicago on December 10. He selected Chicago as the

meeting place, although Harry Frazee, of the Boston Club, Charles A. Comiskey, of Chicago, and Jacob Ruppert, of the New York club, members of the board of directors, called a meeting of their own in New York on the same date.

"While the constitution of the league specified the date on which the league meeting should be held, it does not name the place, but as president of the league, I think I have the privilege of selecting the city," President Johnson said. "I have no comment to make on the action of the three directors who are seeking to summons the club owners to New York."
