Now is the Time For All Amateur Gardeners to Wage War

Butterfly Eggs Hatch Trou-

blesome Cabbage Worms

Those amateur gardeners who have their seed all in, must now prepare to fight the natural enemies of plant life. This work is not nearly so hard as preparing the soil for the seed, but must not be neglected if a crop is to be ensured. Constant attention is advised; do not let the insects or weeds get a start. If you have cabbages in your garden, watch for the cabbage worms, which hatch from eggs laid by the common but wm. H. Miller married Margaret Elizabeth, daughter of the late Daniel McCall, of St. Williams and by her had two sons. One of these, Wm. A. now resident in Chicago, accompanied by his wife is in town for the tuneral. The other died young. His second wife was Miss Barbara. Bray, of Oakville, by whom there was no issue, and her death after a brief married life later followed by a third marriage to Miss Francis, daughter of the late Rev. Abrain Austin, of Woodhouse. A family of two sons and four daughters blessed this union, of whom all except one son survive.
