Petens' Musical Monthly for May is to hand, and well sustains the proud title it bears—"The Prince of Musical Monthlies," for if there is any one periodical adapted to suit the wants of all Lovers of Music, professional or amateur, it is certainly this Magazine.

The May number comes to us overflowing with Choice New Music. There are four New Songs, by Hays, Thomas, Danks, and Eaton; three Piano Pieces; and we notice a new feature in the shape of six pages of Quartet Music, which will prove a valuable addition; also, a dozen or more pages of Biographical Sketches and Reviews of New Music, that will be of interest to all Musicians. Being largely engaged in the publication of Sheet Music, Mr. Peters has always a fresh stock from which to make his selec-

tions, and seems nothing loth to draw from his resources to any required extent to make the Monthly what it should be. Besides the Musical Skotches and Reviews of New Music, each number contains no less than thirty full-sized pages of New Music by the best writers in the country.

When Music is furnished so cheap, what Musician can afford to be without such a publication? \$4 worth of good Music cannot be picked up every day for 30 cents, and we are justified in saying that a subscription at \$3 will give as much Music (and good Music too,) as you can buy for \$30

This valuable Magazine is published by J. L. Peters, 199 Broadway, New York, (P. O. Box 5429.)

LIEUT. Con. R. LOVELAGE having accepted the agency of The Voluntber Review he is prepared to receive subscriptions and transact other business connected therewith in Montreal and the Province of Quebec. Col. Lovelace intends visiting the Eastern Townships at an early date, when we hope our friends in that section will give him a favorable reception.

Four Batteries of the Ottawa Brigade Garison Artillery, viz., Nos. 1, 2, 4, & 6 will parado for the half yearly inspection by Lt. Col. Jackson, B. M., on the 18th inst., at 7, P.M. No. I Rifles, Captain May, will also be inspected about the same time.

The Title of Colonel.—It is not known that there were colonels in the English army earlier than 1598. Anterier to that date, it consisted of companies of a licutenant and an ensign, and the captain seems to have the appointment of his subaltern officers.

FROM TORONTO.

[BY OUR OWN CORRESPONDENT.]

The sale of the Cavalry and Artillery horses during the past few days has resulted in much higher prices than anticipated, and many American speculators have been much disappointed. The highest bid was for a blood mare of Col. Jenyns, \$500 and the lowest \$65. As the horses are all disposed of the Cavalry School is consequently closed. A Quebecer, Mr. Lampson, was in the last squad that passed. Great numbers of immigrants, many of whom are of a superior class of English workmen, are arriving daily. most of them are passing on the Western Prairies. Last Thursday the Smokers and Non-Smokeas of the Toronto Rifle Club tried their respective powers of nerve and skill, the result was a sad beating for the indul gers, who, however, are going to try again next week with, they assert, assurance of success. The ranges were 300, 500, and our yards, 5 shots each, and the highest scores were J. Morrison, 54; A. L. Russell, 53; C. Sheppard, 51.

The Committee of Management of the Provincial Rifle Association meet this evening to pass the prize list.—too late to give you particulars this week.

The Bedford ranges at Halifax, where the next Dominion match is to be held, are the finest in Canada: there are already 12 setts Wimbledon disc-marking butts, and the range is very level and easy of access, being close to a railway station. A large photo graph of this range, the property of Lacut. Russell. is on exhibition in Capt. Adams' book store, King street.

On Saturday fortnight the cadets attending the School of Gunnery in Toronto, assembled to present Col. Anderson, C. B., the Com mandant with an address. Col. Anderson retires from the command of the school in consequence of the withdrawal of a large portion of the regular troops from the Pro vince, and well it is expected, take charge of the troops on board the transport Croco dde on her return voyage. This troopship is expected at Quebec daily, and in anticua tion of her arrival, Col Anderson yesterlay received a telegran ordering him to keep himself in regainess to leave at an hours notice. The artillery withdrawn from the Proyrtee will go under his command. The following is the address and reply:-"o Col. Anderson, C. B. R. A., Toronto.

Sin,—We, the cadets composing squal No. 10, at present attending the School of Gunnery in this city, learn with the greatest regret that you are about to relinquish your command (prior to your departure for England) and although we have had the honour of knowing you but a short time, yet we feel that in your leaving, the country, the Government, Volunteer Force, and ourselves will sustain a loss that can with difficulty be repaired. Allow us then, Sir, to present you with the accompanying whip as a slight sowenir af the high esteem in which you are held by us. We wish yourself and family a pleasant voyage, and that you may long be
