GRIP'S GALLERY OF NOTABLES.

HON. HONORE MERCIER.

This handsome gentleman is the leader of the so-called Nationalist Party of Quebec. Just what the Nationalist Party is we have never been able to find out clearly. As nearly as we can get at it, it is the old Rouge or Liberal organization, with a Jesuit annex, which looks to the establishment of an independent French Republic in Quebec. Mr. Mercier is a Count of the Holy Roman Empire, and was Premier of the Local Government until a few weeks ago, when he was rudely ejected from office by the fiat of Lt.-Gov. Angers. He is at present conducting a red-hot campaign, and feels quite certain of getting back to office, when he vows to take a ter-r-rible revenge on his enemies!
