

These are the Questions

What are we to do with the helpless poor from the slums of the cities, dumped upon our lands and hands by the assisted charities of England

Are we to have the failures of Europe for our next-door neighbors, or shall we have neighbors strong enough to take care of themselves?

How shall the seeds of empire be sown in this new Canadian domain?

These are the questions asked and answered by **EMERSON HOUGH** in "THE SOWING," Hough's latest work, a study of colonization and of imperial duty. Now appearing exclusively in

CANADA-WEST.

First instalment was in September issue. Send in your subscriptions and we will forward September and October issues at once.
