Have you ever attended a York Arts presentation?

Luna Keshwah, Psychology II
"No I have never attended an Arts production but now that you mention it I would love to go to something. I haven't really ever thought about going and I know that my friends haven't either."

Pina Orlando, Psychology I
"No I haven't because this is my first year at York and I haven't gotten the feel of the school yet. I'm just starting to get into the routine so I haven't had much time."

Farid Abasian, Science IV
"Yes, I have attended a Caribbean Cultural show about two years ago. It was very good."

Cathy Karahozitis, Sociology II
"Yes, I have attended a dance production in Founders College. A friend of mine was involved, so I went. The production was excellent!"

Tony Gariepy, Philosophy I
"No I haven't ever been to an arts production because I don't have any idea where or when they are. I'm not really interested in theatre or Arts. My interests are football and other sports."

Vashti Maharaj, Economics II
"Yes, I have attended "A Funny Thing Happened On The Way To The Forum" last year at the Burton Auditorium. It was quite entertaining."

Danny Goel, computers Graduate

Every C.G.A.
who graduates
this year . . .
will have a

Choice

Certified General Accountants *do* have a choice: taxation, auditing, controllership, government, management accounting, commerce, industry — public practice.

CGA offers a five-year course. Advanced standing is granted to students with college or university credits. It's tough, and demanding. That's why more and more employers are looking for people who have earned the CGA designation. Because it identifies a person with drive, initiative, ability, and knowledge.

Choose the *fastest* growing accounting profession. Become a Certified General Accountant.

It's nice to have a choice . . . isn't it?

Deadline for Winter enrollment, November 9. For information, call or write:
