

How to Organize.

In order to affiliate with the Socialist Party of Canada, the first requisite is to become thoroughly informed as to the necessity of the political organization of the workers on strictly class lines. This calls for some study of Socialist literature in order to be able to grasp at least the fundamental principles of capitalist economics, and the reasons for increasing poverty among the workers alongside of increasing wealth and power in the hands of the capitalists. It is of the utmost importance to become familiar with the program and principles of the Socialist Party of Canada, by a careful reading of its platform, constitution and other literature, which may be obtained from Locals, Provincial or Dominion Executive Committees.

Having become convinced of the soundness of the party's position and the correctness of its program, write the Provincial Executive Committee or the Dominion Executive Committee where no provincial organization exists, for a copy of the regular charter application form used by the party.

Five or more persons may make application for a charter, by signing and forwarding such application to the Provincial Executive Committee, or where no provincial organization exists, to the Dominion Executive Committee, accompanied by 10 cents for each signer to cover the current month's dues, and \$5 to cover the expense of supplies, including charter, financial books, warrants, membership cards, etc.

Upon receipt of charter proceed to elect officers as laid down in Article II. of the party constitution. At each business meeting follow out the order of business as laid down in Article VI.

It would be well to devote the first business meetings of the Local to becoming thoroughly familiar with all of the provisions of the party constitution, platform, etc. When this is well in hand, the work of spreading the propaganda by holding public meetings, circulating literature and other means should be taken up.

A Local from its inception should train itself to attend as closely as possible to such work as legitimately belongs to it. It should learn to be accurate and methodical in keeping its records, both financial and otherwise, in making reports to the party committees and in attending to correspondence. It should be strict in requiring its officers to give close attention to their duties; it should give close attention and scrutiny to all reports made by the Dominion or Provincial Executive Committees, thus keeping closely in touch with, and well informed in regard to all party work.

Locals should realize that a continually increasing volume of work is falling upon the Executive Committees of the party, a burden which they
