Every farmer knows the advantage of having the very best Implements that can be made ; inferior ones are only a source of worry and expense. The reputation of “HAGGERT BROS” is so well established, and the superiority of the Implements turned out from the Brampton Works is so well known, that is only necessary to state, very briefly, as we have done above, the points of excellence which we claim for our productions. We have the most perfect machinery, employ the most skilled workmen, and use the very best material. We allow no Implement to leave our establishment that is not perfect in every respect, and certain to give entire satisfaction.

Send post card, giving name and post office address, and we will forward Illustrated Catalogue and Price List.
