

PURIFIED PRODUCTS OF PETROLEUM.

PETROLINA,

(Solid at 110 to 120° Fah.)

AND PETROLINA OIL.

(Limpid at 32° Fah.)

The QUINTESSENCE of PETROLEUM

Manufactured without the use of Acids or Alkalies by the

BINGHAMPTON OIL REFINING COMPANY, Binghampton, New York,

For Medicinal, Pharmaceutical and Toilet Purposes.

It is guaranteed perfectly and absolutely pure, odorless and tasteless.

The attention of Physicians, Druggists, and the public generally, is called to Petrolina, (or Concentrated Petroleum), as prepared by our process, by which an ABSOLUTELY PURE ARTICLE is produced. It will keep for any length of time, in any climate, and cannot become rancid.

PLAIN—Pure Petrolina.—For external use, as an ointment, it is applicable to burns, cuts, wounds, bruises, sprains, rheumatism, catarrh, ulcers, bites of insects and serpents, eczema, barber's itch, tetter, and all skin disorders; also, for piles, chilblains, bunions, swellings, tumors, nasal and bronchial catarrh, and to every purpose where a liniment is needed.

FOR INTERNAL USE.—For coughs, colds, hoarseness, sore throat and similar affections. Dose: a half teaspoonful three times a day. Two sizes, 25 and 50 cents.

POMADE—Pure Petrolina.—Is the pure Petrolina with a delicate and agreeable perfume added. The finest and best dressing for the hair. It is a sure and speedy remedy for ALL scalp diseases, allays itching, cures dandruff at once, and, unlike other pomades, is not affected by the heat of the head, but is a cool and refreshing application, and can never become rancid. Two sizes.

COLD CREAM—Pure Petrolina.—The most elegant and deserving preparation of Cold Cream in the world. It is delicately and exquisitely perfumed, and a valuable emollient (far exceeding Glycerine in resisting atmospheric actions); invaluable for use at the sea shore, curing sunburn, rough-skin, chapped hands, tan and freckles; IT WILL POSITIVELY CURE CHAPPED HANDS, and when used after washing and shaving, keeps the skin soft and velvety. One size, 25 cents.

CARBOLATED—Pure Petrolina.—Is Petrolina with three per cent. Carbolic Acid. Very superior in cases of old sores, ulcers, and for similar purposes. Two sizes, 25 and 50 cents.

ARNICATED—Pure Petrolina.—Is Petrolina with eight per cent. Arnica, and is very superior in cases of burns, scalds, and for speedy healing purposes. Two sizes.

COSMETIQUE—Pure Petrolina.—For the moustache and hair. An original and elegant article. It will be found the only reliable article of the kind, and a rare luxury to use. In sticks, two sizes.

CAMPHORATED—Pure Petrolina.—Highly efficient in neuralgia, gout, rheumatism, catarrh, gathered breasts, and similar uses. Two sizes.

"GLOSSINE"—or, Prepared Petrolina Oil for the Hair.—Has all the medicinal and healing qualities of the Pomade. Is a wonderful tonic, restoring health to the capillary tubes—will not decompose or absorb oxygen—does not generate heat and destroy the hair—will never become rancid—cures scalp diseases. It is a most elegant dressing, and exquisitely perfumed. Two sizes.

VETERINARY PETROLINA.—Is the best possible substance for use in horses and cattle. Will promptly cure scratches, thrush, quarter-cracks, contraction of the hoof, galls, sprains, etc., or in any case where a salve or ointment is needed. In large bottles or cans.

SOAP—Petrolina Toilet Soap.—Carefully prepared from Petrolina and selected lye. Is a perfectly NEUTRAL SOAP, delightfully perfumed, and indispensable for infants' and invalids' use, tender skin, and diseases of the cuticle. Ladies will find it especially adapted for their toilet and bath.

Petrolina is sold by Druggists and Chemists throughout the world, and is by far the purest preparation of Petroleum in the market.
