#### At Hatching Time

HE enthusiasm of the pour often gets him into trouble.

Particularly at hatching time.

He wants to see how his three weeks of careful attention to the incubator of careful attention to the incubator is going to result, so the door is open frequently and the insteh disturbed. The door of the incubator should never be opened when the chickens are expected. Moisture occapies and moleture is more incessary at hatching than at any other time. Also, the incubator should be kept dark, so that the chickens will remain quiet and not the chickens will remain quiet and not climb to the front of the machine, as they are bound to do if strong light comes through the door.—A. D. K.

### Poultry Suggesticus for April

F you intend to use hens for hatching, set them in a dry place where the ventilation is good.

If you do not intend to use hens for

hatching, break them up at once and get them to laying again.

get them to laying again.

A good way to break up a broody hen is to put her in a light, airy copy with a wire or sixt bottom that you can hang up. This permits a free circulation of air, and as it blows up through the fluif it reduces the favor which is in their blood at this

This is the month to get out your If you have windows in the

house, keep them clean, as the need all the sunlight they can these days.

Hens suffer from a damp hen house, so it is well to keep the floor covered with litter.

Be sure to keep plenty of fresh water before the hens. A great amount of water is used to form the

egg.
Put your thinking cap on and don't let other work crowd out the chicks.
Let the poultry have a share of the

If you have not had the nerve to use the open front house during the winter, you had better begin now by removing the windows on the south and use muslin

and use muslin.

Eggs from hens that have made a
fair showing in laying this winter
will be more fertile than those that
did heavy laying.
Keep a flock of hens, a good cow
or two, prepare for a good garden
this year, and you won't have to
complain of the high cost of living.

There never will be too many good oultrymen, but we can strive to be among the best.

# The Illuminated Holy Bible With 600 Original Illustrations

This Bible is a high art production. The illustrations are exact copies of original drawings and paintings, which constitute a wonderful gallery of paintings, which constitute a wonderful gallery or Scriptural art. To this breach of the work were called the greatest of Hying artists, and it is to their intelligent conception of the work of por-traying Bible scenes that the peculiar excellence of this Bible is due.

#### The Famous Tissot Collection

The famous Tissot collection of paintings is c sidered by authorities everywhere as the most important contribution to Scriptural illustration. The choicest of these pictures have been faithfully reproduced in colors and form the superb series of illustrations in this very unique Bible. These

#### Wonderful Color Plates

greatly enrich this beautiful edition of the book of hooks. Every picture is an eloquent sermon on the everlasting truth of Hosy Writ. Events that have been imperfectly comprehended become in-vested with the charm of living reality, and places that have seemed far off are made familiar. The Bible parrative is given, as never before, a present, living, human interest

## Children Will Learn to Love It

Nothing will interest the oblid so quickly as a picture. Art speaks a universal language intelligible to young and old alike. Accurate pictures, intelligently conceived and artistically executed, appeal to the child mind no less than to the Bible

This beautiful illuminated Bible will be sent prepaid for only TWO NEW SUBSCRIBERS TO FARM AND DAIRY of which your paneous
