You are too young, no matter what your age, to lose your hair. Save it by the use of Ayer's Hair Vigor. It removes dandruff, prevents baldness, restores grey and faded hair to its original color, and makes it soft, glossy, and abundant. No toilet is complete without it.

There was not a large attendance at the rink on Saturday evening to witness the interesting performance of Miss Mabel Davidson, the champion lady skater of the world, but those who were present certainly enjoyed a treat. The ice was in fine condition and the graceful evolutions of the skater were made to the best possible advantage. Waltzing, skipping and sundry other extraordinary achievements on skates elicited much applause, while the beautiful fancy figures performed gave great satisfaction. Miss Davidson has an elegant appearance on the ice. Messrs McMillan deserve our thanks in this presenting to the people the two most famous characters in this branch of athletics. Mr. Rubenstein the famous gentleman champion skater and now Miss Davidson the lady champion.

From the reports received from different parts of the province it is evident that the fire-bug is abroad in the province. Not only has Toronto been visited but Lindsay and other places.
