Three Sizes too large: that's nothing. I buy my clothes ready-made, or at a dry-goods store. I get a suit for \$10 or \$11 that will wear for 6 months. so I don't mind the fit.

A Good Fit every time. I'll never go back on him. I can get a good reliable suit made to order by A. J. WATSON, for \$11 or \$12, that will wear and hold its appearance well for at least one year, so I am fully convinced that it pays best to go to the Fashionable Tailor for clothing.
