**FACTS For THRESHERMEN.**

OUR reputation for producing reliable goods is bringing us in orders that are taxing the brawn and brains of our foundry to fill. Nevertheless, we are able to cope with it. We have installed new and more powerful machinery, employed more men, and are prepared to maintain our reputation for the rapid and efficient filling of orders. If, therefore, you are a thresherman, or contemplating becoming one, consult your interests by familiarizing yourself with our lines before placing your order. We will fill your requirements in a way that will ensure your respect and friendship for life.
