GOSSIP.

A very successful sale was held recently near Edmonton, at which the Short-horn bull, Gladstone's Choice, sold to a Calgary man. The Seton-Smith Co., of the St. Paul of the Canadian West, conducted the sale, which realized about \$4,500.

We are having most beautiful weather for this season of the year; some work has been done on the land already. Stock have come through the winter in good condition. This is the day for the stock-judging school here. I think a great mistake is made in not having a programme out before the judges come, so that farmers could arrange to attend the meetings most suited to their tastes. It becomes costly for farmers at a distance to attend the first morning and find the judges cannot get here until the train arrives, then have to wait until the finish to get the information sought. In short, farmers won't do it.

Lacombe, Alta. OSWALD PALMER.

The printed announcement containing the rules and regulations governing the first annual auction sale of pure-bred cattle under the auspices of the live-stock associations, has recently come to hand. The sale is May 31st, in the C. P. R. sale pavilion. Cheap rates to Winnipeg, both for the prospective buyers and sellers, are announced. Secretary Greig states that "flesh and finish mean dollars to the seller." You can often sell \$10 worth of oats for double or treble the money if you let the animal carry it on its back. Buyers do not like thin stuff, and we do not blame them; in fact, we believe they are right in offering small figures for half-starved stuff, or stuff that will not put flesh on under reasonably favorable conditions. Cattle will be received for the sale only from members of the live-stock associations; membership costs only \$1. The sale committee are Messrs. Barron, Graham, James, and Dr. Thompson. Tickets to the sale will be good from May 27th, until three days after close of the sale—single-fare rates.

HURRAH FOR ALBERTA!

At Calgary, Alta., there were wild ducks and geese here, March 11th, and crocuses were out in bloom a week later. The gophers were out before the first of March, and wheat sowing was in progress the third week of March.

BEST WAY TO PREVENT BLACK-LEG.—Successful vaccination against blackleg has been extensively practiced in this country for over ten years, or ever since the Pasteur Vaccine Co., Ltd., Chicago, New York, San Francisco, etc., introduced the system. They are still the only ones supplying the genuine Pasteur vaccine, that is, the kind made by the discoverers, and to get this it is important to specify "Pasteur" when ordering. You should now vaccinate the fall calves and revaccinate the young animals treated last fall, and the "Double" should be used on choice stock. "Blacklegine" is the trademark name of Pasteur vaccine; ready for use, and is the most convenient, effective and economical, therefore the best obtainable. Write the Pasteur Company as above for their special literature on this subject.

SALE OF HEREFORDS.

Jno. Wallace's dispersion sale of Herefords was not largely attended by outside buyers on account of the snow-storm which raged the day previous, thus preventing many States buyers who were to drive. Twenty head were sold, and brought an average of \$79. Wm. Tait, Pilot Mound, bought for \$95 Milkmaid 2nd, and Milkmaid 4th for \$60. David Waldie, Cartwright, got Jennie Lind at \$70 and Love 3rd at \$65. Waldo Greenway bought Anne for \$100, Florence going to Morris Watts, Cartwright, at \$100, also Lady Bell 4th for \$95. Nancy brought \$50 to the bid of W. Foster, Mather; Jas. Stancomb getting Love 4th at \$98. The eleven-year-old cow, Peach 27th, brought \$59 from Geo. Thomson, Mather; R. McGowan, Cando, giving \$72.50 for Sarah Maud. Wm. Cavers, Clearwater, got Roger, a four-year-old, for \$115. Jas. Stancomb got General, two years old, for \$100. There were seven other bulls and bull calves sold, which averaged \$68. The stock was well brought out, but demand was slow, and the remainder were withdrawn.
