

KEEP YOUR STABLE CLEAN

With a "BT" Litter Carrier

What work is harder or more disagreeable than cleaning out the stable? A "BT" Litter Carrier will make this work easy, for with it four barrow loads of manure can be removed from the stable at one time—no heavy wheeling, no climbing through snow or mud. If desired, the manure can be dumped directly into a wagon or sleigh and save reloading.

Write for our free catalogue, showing best methods of erecting litter carriers, and telling why you should put in "BT" Litter Carrier.

The "BT" Line also includes Stanchions and Steel Stalls and the "BT" Litter Carrier
HEAD OFFICE AND FACTORY, FERGUS, ONT.

Anti-Trust Prices Freight Prepaid To You—No Duty
on FARM and TOWN
Telephones and Switchboards

Poles, Wire, Brackets, Insulators, Tools, Lightning Arresters, Ground Rods, Batteries, Insulated Wire, and everything necessary.

NO CHARGE for our experts' letters of advice, drawings, explanations, instructions, telling you in any language, non-technical, just how to build, own and operate your rural, town or long distance lines in a good but economical way and at a profit, thereby getting your own telephone free.

We are the largest, exclusive and the only bona-fide Independent Telephone and Switchboard makers in Canada or Great Britain.

Our Telephones are extensively used in Canada, England, France and by the U. S. Government.

Our great illustrated book on the Telephone sent Free to anyone writing us about any new Telephone lines or systems being talked of or organized.

We have a splendid money-making proposition for good agents.

The Dominion Telephone Mfg Co., Ltd. Dept. Q, Waterford, Ont., Canada.

Proper Lubrication

On your plows, harrows and drills use

Granite Harvester Oil

Insures better work from the new machine and lengthens the life of the old. Wherever bearings are loose or boxes worn it takes up the play and acts like a cushion.

Changes of weather do not affect it.

Gasolene
and
Kerosene
Engines

Steam Traction
Engines
and
Steam Plants

Traction Engines,
Wagons. Etc.

Standard Gas Engine Oil

is the only oil you need. It provides perfect lubrication under high temperatures without appreciable carbon deposits on rings or cylinders, and is equally good for the external bearings.

Capitol Cylinder Oil

delivers more power, and makes the engine run better and longer with less wear and tear, because its friction-reducing properties are exactly fitted to the requirements of steam traction engines and steam plants.

Mica Axle Grease

makes the wheel as nearly frictionless as possible and reduces the wear on axle and box. It ends axle troubles, saves energy in the horse, and when used on axles of traction engines economizes fuel and power.

Every dealer everywhere. If not at yours, write for descriptive circulars to

Weak? Tired? Run-down?

These conditions come from overwork, a weak stomach, overtaxed nerves or feeble blood. When you feel "all in"—hardly able to drag about; no energy, no ambition, easily exhausted and can't sleep—take

BEECHAM'S PILLS

and note what a difference they make in your condition. The stomach is the first to feel the good effects. Food tastes good, the digestion is strengthened; bowels and bile work regularly, the blood is cleansed, and the nerves rested. The whole system responds to the tonic action of Beecham's Pills. Soon there is the buoyant feeling of returning health.

Fresh Strength and New Life

Prepared only by Thomas Beecham, St. Helens, Lancashire, England.
Sold everywhere in Canada and U. S. America. In boxes 25 cents.

HAVE YOU HAD ENOUGH OF LONG COLD
WINTERS AND CROP FAILURES?

Can you afford to work year after year for nothing and endure the above conditions too?

There are no drouths, cold winters, hot summers, crop failures nor any other hardships to contend with in Chilliwack Valley.

We are placing many Prairie farmers on beautiful farm homes and we can place about 500 more this summer. Come and see it yourself, and if you do not find what you expected it will be because such an ideal place does not exist on earth.

Send for illustrated booklet and view of the valley, which measures 12 x 18 inches. Information free to all.
