Order Salt Now

Stocks at our various shipping points are ample and in excellent condition. We can ship promptly as there is no difficulty in getting cars. Later on comes the busy season, both for ourselves and the railways. Dealers who have to replenish their stocks to provide for spring business will confer a favor by placing their orders at once.

We assort cars to suit purchasers, and supply either Coleman's or Rice's Table and Dairy Salt as required.

R. & J. RANSFORD, Clinton.
