

Mr. Wm. F. Welsh Has Passed Away

PROMINENT HUNTINGDON FARMER DIED MONDAY FOLLOWING AN OPERATION

William F. Welsh, one of the most prominent and progressive farmers of the Township of Huntingdon, passed away at Belleville Hospital on Monday afternoon, following an operation that had taken place on Saturday. About a month ago Mr. Welsh was taken ill with ear trouble but was apparently recovering and was able to be about for some time. On Saturday morning, however, he suffered a sudden and serious relapse and was brought to Belleville hospital when the physicians decided upon an immediate operation. It was, unfortunately, too late to effect a cure.

William Welsh was the second son of the late Charles Welsh and was born in the Township of Huntingdon fifty years ago. In Huntingdon he decided all his life. In addition to his sorrowing wife he is survived by five sons: Albert and Howard, at home; Harold, a teacher, now with the 73rd Battery at Kingston; and Roy and Norman, attending Belleville High School. He is also survived by one brother, Edward, of Moira, and one sister, Mrs. Percy Foster, of Edmonton. Another sister, Mrs. Robert F. Elliott, predeceased him a few years ago.

Mr. Welsh was a prominent member of the Methodist church at Moira and was active in promoting all religious interests. He was recording steward of the appointment and had filled many other offices in connection with the church and Sunday School. He also took a deep interest in educational matters and served very capably on the Trustee Board of Moira public school. As a farmer he was one of the most progressive and successful in the township. His farm was a model of good management and he took great pride in his live-stock. He was a leading dairyman and served as director many years of the Moira Cheese Manufacturing Company.

Mr. Welsh was also well-known in fraternal circles. He was a past master and financial secretary of Moira Lodge No. 17, A.O.U.W., and was also a member of the Odd Fellows and L.O.L. at Thomasburg. In politics he was a Conservative.

As a neighbor and friend, Mr. Welsh was loyal and sincere. He had a deep and abiding interest in all that concerned the welfare of the community and his keen intelligence and wise counsel were often of great value in the various public movements. In the home circle he was most affectionate and kindly dispositioned. To his family of sons he sought to give a good education as well as an advantageous start in the more material side of life. His untimely demise has come as a great shock to his many friends, as it is to his immediate family an irreparable loss.

The funeral takes place this afternoon, (Wednesday) at two o'clock, under the auspices of the I.O.O.F. of Thomasburg.

BABY'S OWN TABLETS

ALWAYS KEPT ON HAND

Mrs. Ernest E. Adkins, Broton, Sask., writes: "I have used Baby's Own Tablets for great success for four years and always keep a box on hand." Thousands of other mothers say the same thing—once they have used the Tablets for their little ones they will use nothing else. Experience shows them that the Tablets are the ideal medicine. They are a mild laxative, through in action and never fail to relieve the minor ailments of little ones. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

On Monday afternoon at 1 o'clock fire destroyed the large frame dwelling of Mr. William Williams, near Honeywell, and also the barn. The entire contents of the house were lost with the building, as well as those of the barn. The loss will be heavy and is partially covered by insurance. The origin is unknown. Mr. Williams had been living in the house since Christmas and had purchased the property from Mr. Tracy, who now resides on North Front St., Belleville.

Deputation of Sidney Farmers

WILL WAIT ON GOVERNMENT AT OTTAWA REGARDING RECENT MODIFICATION OF M. S. A.

About sixty farmers of central Sidney met at the Town Hall, Wallbridge Monday evening, the 6th inst. to discuss the situation brought about by the recent modification of the Military Service Act, and to organize for representation of the matter at Ottawa.

Chas. Ketcheson, ex-reeve, was appointed as chairman, while Rev. L. M. Sharpe acted as secretary. It was explained that the movement is practically as wide as the Dominion, but the immediate effort is provincial as taken up by the Ontario Farmers' Union. Mr. Sharpe gave a report of the views presented by the federal representative when several present had interviewed him in his office, to the effect that the Government lead-

ers were acting according to the information at their disposal and invited conference with the farmers.

Messrs. C. Ketcheson, G. Nicholson, C. Mitts, S. Nicholson and others expressed themselves as impressed with the serious lack of help in the prospect of increased production and placed themselves upon record that while Canadians everywhere throughout Ontario recognize the call for men at the front, still the true farmer is very sincerely and strenuously answering that call upon the land in growing of cereals and the production of bacon, cheese, etc. Mr. Peter Graham, who has a son, Lieut. Graham, in the very thick of the great struggle on the western front these days, spoke eloquently of the call overseas and was congratulated upon his expression of loyalty by several present, including the chairman.

It was moved, seconded and carried that four delegates be sent to represent this section in the coming deputation of the U.F.O. and that a subscription be taken among those interested to defray expenses.

The following men were duly appointed to act as a deputation: Rev. L. M. Sharpe, Chas. Ketcheson, Geo. Nicholson and Geo. Burkett.

The sentiment of the meeting throughout was indicative of a steady desire to do what is for the best now and later, and the utmost feeling of goodwill prevailed amidst a warm discussion as to the relative needs of "first and second line trenches" in this crisis.

Belleville's Honour Roll

Editor Ontario:—

Not forgetting honors won by Ketcheson, Johnson and others, Belleville may indeed be proud on reading the last issue of the Canadian Military Gazette to find the record on one page no less than four of our own boys whom "The Knig has delighted to honor."

Major Edition Franklin Linn, already Military Cross, has D.S.O. added to his distinctions and is in command of his corps of Engineers; Major William Ray Riddon, of the Field Artillery, receives his D.S.O.; Major John Ham Sills, of the Infantry, is also awarded the D.S.O., and Lieut. Stanley Burritt Her, of the Engineers, is awarded the Military Cross. Can any city of our size show such a splendid record in one month? Are we at home living up to the lead given by these splendid men, patient and chivalrous in service and sacrifice?

Rawlingson. The pastor Rev. A. M. Hubly performed the ceremony. The bride was attended by Ida May Wardhaugh, while Edward Pope stood by the groom. THE THREE MEN WHO WERE SO SERIOUSLY SCALDED IN AN ACCIDENT

On Thursday morning, the three men who were so seriously scalded in an accident near Gananoque Junction on Thursday morning, continue to improve in their rooms at the General Hospital, Kingston, but it will be some time yet before even the least burned of them will be able to be out.

Constable Smith of the Belleville Police Force

has received from his mother, Mrs. J. L. Smith, Framingham, East Durham, England, some interesting facts concerning war prices and conditions in that section of the Old Land, which he has kindly permitted us to publish. She writes that the spring has been cold and backward, the winds and low temperatures holding back growth. Young chickens sell at \$4.25 on the market, old hens bring \$3.50 each. Rabbits sell at the same price. Eggs cost 72 cents a dozen. The card system is now in general use. Each adult individual is allowed quarter pound of bacon a week, quarter pound butter and half pound sugar. She states that she has seen no cheese for weeks, no cakes since last summer, no lard since November. Fruit and syrup are not obtainable. "We live but don't starve," she writes. "The soldiers must be first." Men up to 50 years and all boys over 18 have been called to the colors.
