"THE BLOOD IS THE LIFE."

A TRUE LANGUAGE OF SCRIPTURE.

DR. HALSEY'S FOREST WINE.

FROM its pure acrids and great works, this Wine is fast becoming the favorite medicine among every class of people. Known as the most efficient remedy for general Debility, Nervous Affections, Consumptive Decline, Complaints of the Kidneys, Heart, Lungs, and above all the diseases arising from impure Blood and bad habits of the System, it is now used in almost every Family have settled it and all of the use of it.

Dr. L. S. STANLY, a celebrated Physician, in a letter to Dr. Prentiss, New Jersey, dated November 16, 1849, declares that in all his experience he had never seen anything to compare with the Forest Wine and Pills, at the same time relating several cases of constitutional Debility and Scrofulous affections which it cured in an incredible short time. Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it for general use, a number will be found the names of the celebrated Dr. M. Y. Coffins, Dr. William Rogers, Dr. Martin, Dr. J. M. Morgan, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waverly Place, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—I cannot too highly recommend your Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do in as many years. In 1845, I became a victim of the Heart Disease and Nervous Affections, which have been growing on me ever since, until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business. It is now as well as I ever was, and will recommend it to all my friends. I am willing to make any statement you may require of me, and will realize it for the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HAMPSTEAD, Dec. 1, 1842.

DR. HALSEY:—A bottle of your Forest Wine and it is all Pills, which I procured of Mr. James Carr, (your Agent for this place,) has done wonders for me. I had been in a state of decline for more than a year, confined with a dreadful cough, pain in the breast, general debility, and loss of appetite. I became almost a skeleton, and had been unable to leave my room for more than two months; my friends told me I had the Consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I had taken, or my physician, until your Wine and Pills came to my hand. The first dose of Pills brought on some relief, and by using your Wine and Pills together, I continued to mend from day to day, and in a short time was restored to health and strength. I am now attending to my business, and can recommend your Wine and Pills to all who are afflicted with any disease of the Throat, Lungs, Liver, Kidneys, or Nervous System, as I am confident they will cure them.

Yours, &c., MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Mussey, a respectable and well-known citizen of Cohoes, New York, is no evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was severely afflicted with Neuralgia, Affection of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of the excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar disease, may safely rely on its virtues.

Cohoes, March 6, 1850. E. G. MUSSEY.

More Testimony from Cohoes.

DR. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Terry's, your Agent for the town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

Cohoes, April 12, 1850.

The testimony of upwards of three hundred individuals, many of whom were afflicted with diseases of long-term, and considered incurable, may be seen at Dr. Halsey's principal Office. The following are some of them residing in this city:—

Mr. Asa S. Smith, 107, Pearl Street, Post Office in Wall Street, was very severely afflicted with Rheumatism for the better part of two years. The best medical skill could do no good. He used the Forest Wine and Pills, and procured but taking six bottles was entirely cured, and is now enjoying as good health as ever he did in his life.

Mr. Joseph Scott, Merchant, 52 Pearl Street, was for four years a martyr to severe Rheumatic Pains, and could not walk. He used the Forest Wine and Pills, and procured but taking six bottles was entirely cured, and is now enjoying as good health as ever he did in his life.

The remarkable cures of the Forest Wine is truly astonishing in the cases of the Rev. A. L. Thomas, of Pittsburg, the most noted in the Army of Mexico, a number of Indian Physicians, and general prostration of bodily energy. On the arrival of the gentleman in New York in March, he was so much afflicted with nervous, from the effects of the disease, that he could not walk, and was carried ashore to another boat to walk in his apartment. The Wine was sent for, and he received but the use of less than a bottle of the Wine and a trifle more of the Pills.

The Forest Wine and Pills are for sale at the Depot, and are offered to all the following Agents:—

THE BRITISH PERIODICALS AND THE FARMERS' GUIDE.

LEONARD SCOTT & Co.,
No. 54, Gold Street, New York,

CONTINUE to publish the four leading British Quarterly Reviews and Magazines, viz:—

"THE FARMERS' GUIDE TO SCIENTIFIC AND PRACTICAL AGRICULTURE."

By Henry Stephens, F. R. S., of Edinburgh, Author of the "Book of the Farm," &c., &c., assisted by James F. Norton, M. A., Late Professor of Chemistry in this College, &c., &c.

This highly valuable Work will comprise two large octavo volumes, of about 1000 pages each, illustrated by more than 600 Engravings on Wood, in the highest style of the Art. Each volume, when complete, will be sold at the low price of Three Dollars, or about twenty cents per number. It will be issued in monthly parts, and the first number will appear in the beginning of October. In short, the Publishers have spared no pains or expense in the preparation of the work in a manner, and will render it worthy of the liberal patronage it has received.

The Work is being published in three Monthly Numbers, of 96 pages each, making, at the end of the year, three volumes, of which three will be at least 288.

The British Periodicals Re-Published are as follows, to:—

The London Quarterly Review, (Conservative.)
The Edinburgh Review, (Whig.)
The North British Review, (Free Church.)
The Westminster Review, (Liberal.)

AND

Blackwood's Edinburgh Magazine, (Tory.)

Although these Works are distinguished by the political features they defend in politics, yet a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in this they stand unrivalled by others of similar form and size, and of which three will be at least 288.

The Leonard Scott Publications are edited under the quarterly guidance of Christopher North, unfortunately retired, and, at this time, unusually attractive, from the serial Works of Bulwer, and other literary notables, written for that Magazine, and first appearing in its columns here in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer,) "My Paternal Grandfather," "The Chronicles of Carlingford," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by the Publishers from the pages of Blackwood, after it has been issued by Messrs. Scott & Co., so that Subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

THE SEINE PAINTING, in Oil, as follows:

Scene on the Seine, at Pont Neuf, by Edinburgh, Scene of Battle after Flodden, by Thos. Jones Barker..... £120 0 0

A Round him rush the people crying, 'Tell us all, oh, tell us true!
Where are they who went to battle, Randolph, Maxwell, sworn to you?
Where are they, our brothers, children? Have they met with their shame, unfollowed? Is it weal, or is it woe?'
Like a corpse the grisly warrior looks from out his helmet steel;
But on word he speaks in answer, only with his armed heel
Clangs his weary steed, and onward up the city streets clear still,
Fathers, sisters, mothers, children, shrieking, praying by his side.
'By the God that made thee, Randolph! tell us are the churchmen both come?'
Then he His his riven blazer, and the saker's voice in death."
