Nuptial Notes

A quiet but fashionable wedding took place in Zion church at 11 o'clock to-day when Mr. W. Hastings Webbing, manager here for the Travellers Insurance Company, was married to Miss Edith Gertrude Scarfe, third daughter of the late Sheriff Scarfe. Only the immediate relatives were guests at the wedding, although a number of intimate friends were in attendance at the church to show their love and regard for the contracting parties.

The ceremony was performed by the Rev. G. A. Woodside, M.A., pastor of Zion church. The bride, who looked particularly charming in a travelling suit of blue cloth with hat to match and carrying a bouquet of white marguerites, was given away by her brother, Mr. Reginald Scarfe, president of the Board of Trade.

After the signing of the register, an impromptu reception was held in the church, where the happy couple were the recipients of most sincere and loving good wishes.

The many presents received from friends in the city and province were exceptionally beautiful and chaste.

Mr. Webbing has for many years been the Secretary of the Brantford Golf and Country Club, and is immensely popular in golfing as well as business circles. He has also

INDEMNITY TOO SMALL, HE SAYS

William Lancaster, M. P., Will Not Run For Office Again.

[By Special Wire to the Courier]

ST. CATHARINES, July 15.—E. A. Lancaster, M. P. for Lincoln for the past 14 years, author of the celebrated marriage bill, and chairman of the railway commission of the Commons, who recently returned from a rest trip to a Nova Scotia sea resort will not again offer himself for re-election and his chief reason given out is that the sessional indemnity of the Dominion Commons is not sufficiently high. Last night Mr. Lancaster was presented with an illuminated address by the executive of the Lincoln Association expressive of the appreciation of his services to his constituency and the whole Dominion trusting that he would soon be restored to health which wishes were accompanied by a substantial purse of gold, the amount extending into four figures. It was in reply to this felicitation that Mr. Lancaster made the announcement of his decision and asked that a convention be called to name a successor. He will sit out his present term in the house.

WASHINGTON, July 15.—No word of the movements or intentions of Gen Huerta was contained in the early official despatches to-day. THE TUESDAY NIGHT INCIDENT

With Reference to the Arrest of an Old Disturber.

With reference to the incident reported in the Courier, in which P.C. Pickett was concerned, it should be mentioned that after hearing the evidence Police Magistrate Livingston stated that he considered the officer had done a plain duty. Members of the force must be respected in their official capacity. The public should protect the police as well as the police protect the public. The delinquent in the case had previously received sentence for disorderly conduct. He would let him out on suspended sentence, on condition that he pledged himself to behave in the future.

In the opinion of the magistrate the complaint was simply performing a plain duty in accordance with the demands of the case.

Rev. Father Andrew Wynn, formerly rector of St. Patrick's Church, died suddenly in New England.
