SERIOUS FLOOD RAVAGES CHINA
Destruction wrought by Overflow of Great Hoang River.
PEOPLE IN DISTRESS
Government Appropriation of \$300,000 Made for Relief.

By Courier Leased Wire
Pekin, Oct. 3.—The overflow of Hoang River, which has wrought great destruction at Tien-Tsin and other places, is subsiding slightly. Intense suffering has been caused in the central portion of the province of Chili as a result of the Anroads of the water. The Pekin Government is sending carloads of bread to the destitute people. Pestilence is feared as a result of the flood.

Pekin, Oct. 3.—The Chinese Government has appropriated \$300,000 for immediate use at Tien Tsin, where great destruction has been wrought by the overflowing of the Hoang River. Dr. Paul Reinsch, the American minister has sent a cablegram to the American Red Cross asking for \$200,000. High water over a large section of Chi-Li province prevents engineers from investigating the extent of the losses, and the cause of the flood. Coolies, protected by soldiers, have cut the grand canal at several places near Tien Tsin, under orders from the conservancy board, but this has not affected the situation in the city, where the water is almost stationary. Pao Ting Pu, Teh Chow and other cities of Chi-Li are inundated. Chinese newspapers are appealing for loans from foreign nations to prevent a re-occurrence of the flood by deepening canals to the sea.

FINAL WORD FOR MEDICAL BOARDS
Official Bodies Must Pass on Each Man Called up Under Service Act.

Ottawa, Oct. 3.—A number of doctors throughout the country have been writing here to ask, if a certificate of physical unfitness from a family physician will be accepted at face value by a Medical Board instituted under the Military Service Act. The answer returned was a prompt negative.
Experience has shown that some family physicians are liable to be placed in an awkward position if certificates of physical unfitness granted by them are competent to secure freedom of responsibility under the Military Service Act for the sons of some of their patients. Doctors might easily be subjected to annoyances of a most disagreeable kind if the idea were to spread that any one of them with a wave of his pen, might exempt a young man from military service. Under the scheme by which the Military Service Act is operated, the authorities will be guided by the Official Medical Boards.

HAIR COMING OUT?
Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub it into the scalp. After a few applications the hair stops coming

NARROW ESCAPE ON ITALIAN FRONT
American Visiting Isonzo Battle Passed Through Perils.

By Courier Leased Wire
An Atlantic Port, Oct. 3.—Francis B. Sayre, son-in-law of President Wilson, told of his narrow escape from Austrian gunners while visiting a portion of the Isonzo battle front, early in September, on his arrival here aboard a British steamship. He has spent the past four months in France and Italy in the organization of recreational centres as a representative of the war work council of the Y. M. C. A.
On September 7, accompanied by several British and American Y. M. C. A. officers, Mr. Sayre was visiting the Italian front, when, as their automobile entered a bend in the road, they became the target of six Austrian gunners, he says. Five shells were fired at them, Mr. Sayre stated, the last of which exploded within forty feet of the party. He declared the Italian officers escorting them thrust them back into the automobile in which they were hurried to a place of safety.

Children Cry FOR FLETCHER'S CASTORIA

These Men Will Help You Decide

Are you liable to be selected for service under the Military Service Act?
The answer to this question is being made readily available for you. Remember that the first class to be called includes only men between the ages of 20 and 34, both inclusive, who are unmarried or widowers without children, those married after July 6, 1917, being deemed single for the purposes of the Act.
Medical Boards are now being established throughout Canada. These Boards will examine, free of charge and obligation, all men who wish to be examined as to their physical fitness for military service. They will tell you in a very short time whether your physical condition absolves you from the call or makes you liable for selection.
It is important that you obtain this information as soon as possible. A certificate of unfitness from a Medical Board will secure for you freedom from responsibility under the Military Service Act from any Exemption Tribunal. A certificate of fitness will not preclude an appeal for exemption on any ground.
In order that you may be able to plan your future with certainty, visit a Medical Board as soon as possible and find out if you are liable to be selected. Your family and your employer are interested as well as yourself.

Issued by The Military Service Council.
