### Temperance

The lessons for June 23rd. may be used as a temperance lesson. We wish to bring this to the notice of pastors and superintendents of Sunday Schools requesting them to observe the day.

We are desirous that the pastors preach temperance sermons, and in teaching the lesson in the Sunday school special emphasis be laid on the advantages of total abstinence from all that intoxicates.

In schools where the Temperance department has not been formed the 23rd of June presents a favorable opportunity for doing so.

Any information required may be had by applying to,

Mrs. Laura J. Potter,  
Canning, Nova Scotia.  
Prov. Supt. of Temperance for Sandy Schools.

Mr. Armstrong of St. John, N. B. is the guest of his son, Mr. F. H. Armstrong of this town.

Mr. Allison Borden is filling the editorial chair of the Western Chronicle during the absence of the editor.

Mr. Chas. E. Hogaa of this town has purchased the house and blacksmith shop of Mr. West of Ohio, Yarmouth Co.

Get your bananas, plums, pine apples, strawberries, radishes, tomatoes and cucumbers at the Korner Fruit Store.

There will be no services in the Methodist Church on Sunday owing to Rev. W. F. Gaetz being away at Conference.

A good many farmers are planting their beans this week to replace those killed by frost on Saturday night.

Our Candies are the best that can be bought and fresh from the makers. We have them from 10 cents up to 70 cents a pound at the Korner Fruit Store.

Mr. J. W. Ryan received a cable on Wednesday from Wynberg, Cape Colony in which it stated that Bob left for England on the 15th inst.

Hantsport is preparing for a grand celebration on July 1st and it will be worth attending. That ambitious town always has a good bill of fare for a holiday.

A Rose Festival will be held in the Warehouse at Centreville, June 25th. Refreshments will be served by the Little Workers Club. Canning band will be present and will render an interesting program. Admission 10c.

Rev. D. E. Hatt, pastor at Canning will preach in the Baptist church Canning on Sunday evening. Rev. W. N. Hutchins will be attending the Association at Dartmouth.

We call attention to the advertisement of Wilhelmina Calder as found in this issue. She has lately purchased the grocery stock etc. of A. N. McLeod & Co. and is now ready to supply any line of groceries, provisions at lowest cash prices. The stand is a good one and no doubt this store will continue to receive a generous patronage.

On account of great demand on our columns for advertising we have been obliged to hold over until Tuesday interesting correspondence from Kingsport, Waterville, Greenwich etc. Also a letter from Corporal W. H. Snyder, South Africa.

We are pleased to note that a move is now being made to erect a monument in this county to the memory of the gallant Lieut. Harold L. Borden. It is something that everyone should have a share in. An appeal on this line is unavoidably crowded out until Tuesday. Let every one be ready to help in this movement.

The Grove Dramatic Company, supporting Billy Lawrence will appear at Music Hall, next Monday, Tuesday and Wednesday nights in a carefully selected repertoire of standard plays. This company has a splendid record as an attraction of recognized worth in the States and at present is touring the provinces with great success. An exceptionally strong feature is offered in the specialties—five in number—which are changed each night.

Monday night the company will present "A Minds Eclipse" a sterling society comedy drama from the pen of Mr. Lawrence. For this occasion the management offer an inducement to the ladies in the shape of a ticket which entitles any lady to a good reserved seat for fifteen cents. This offer is good only for Monday night and seats must be secured at Eaton's Bookstore prior to 7 o'clock of that evening.

On Tuesday "Reddy the Mail Girl" will be presented and on Wednesday the engagement will close with "The World Against Him."

### CHILDREN'S DAY

The exercises in connection with Children's Day in the Baptist Church were largely attended on Sunday. The church was most beautifully decorated with flowers, evergreens etc. and with the bright array of children presented a most pleasing scene. In the morning the children filled the front pews and sang their choruses "Golden Chords" in a way which showed careful drilling.

In the evening the full program as published by us last week, was presented and thoroughly enjoyed by all. The children all did their parts with credit to themselves and those who trained them. If we particularized at all we would make special mention of the reading of Miss Mary McColough. We trust that Children's Day may be an annual occurrence.

It has frequently afforded the Kentville ADVERTISER pleasure to call the attention of its readers to the merits of the Maritime Business College, H. X. When this Institution was recognized by and admitted into affiliation with the Business Educators' Association of Canada, it affords us ample proof of the correctness of our statements. At a recent meeting of the Institute of Chartered Accountants of the Province of Nova Scotia, this college was admitted into affiliation with the same.

This is an honor much coveted in any country, and the Maritime is the only college east of Ontario, having secured this honorable distinction. All graduate students of the Business Department of this college are exempted from the preliminary examinations of the Chartered Accountants.

Hon. L. G. Power of Halifax speaker of the Senate had the degree of LL. D. conferred upon him by the Ottawa University last Tuesday.

Miss Mary McColough, Associate of the Toronto College of music, will form classes in Elocution, Physical Culture and Shakespere during the summer months. Special classes for children Saturday morning. Apply at residence of Mrs. J. Howard Goucher, Main Street, Kentville, N. S.

Mr. W. Robinson is proving a very energetic representative of the International Correspondence School, and Windsor is adding quite a number of students. He has made another trip to that town and again he secured five students. This school is proving a most successful one with headquarters for this section in Kentville.

A second interesting letter from our Southern correspondent Rev. T. H. Blenus formerly of this county will appear in next Tuesday's paper. Mr. Blenus' many friends here were sorry to hear of his heavy loss in the Jacksonville fire. We are pleased to note that he writes in a very hopeful tone as regards the rebuilding and future of the scorched city of Florida.
