MAJOR HUDGINS ..... Son of Mrs Helen Hudgins Killed in action June, 1917.

HE SEIZED THE TICKETS

LONDON, Opinion: A German captain of Engineers has related how he once sent a green corporal and three men back with instructions to put a railroad station completely out of commission so that it could by no possible means be of use to the enemy. The corporal rejoined command in a surprisingly short time, considering the nature of his tasks. The captain asked if he had carried out his instructions.
