THE TRADING CO. WEEKLY STORE NEWS

Men's New Spring Clothes

Every Distinctive and Authentic Style and Fabric for MEN'S WEAR HERE

BY way of introducing you to our New Spring Stocks of Men's Fine Clothing and Furnishings we present to day some of the most approved styles for the incoming season. In looking over the new offerings for Spring you will readily recognize the exceptional opportunities that are embodied therein. Style is demanded here, and we have met the demand as in former years by closing out each season's garments before they become old. The result, although costly, we have always found to justify the means. And there are reasons why. The Spring Goods have the floor in this retail organization. To-day you will find no old stocks here—no Winter Suits masquerading as Spring Garments, or last season's Hats rubbing rims with brand new styles. Every thing we show you is positively new—just received from English, American and Canadian manufacturers and tailoring establishments, and correct in color, fabric and patterns.

The relentless policy always pursued by THE TRADING CO. of selling at all hazards "the present season's goods during the present season" has made TRADING CO: "BARGAINS" known far and wide, and places this store in a unique position at he threshold of every season. While other stores may be complaining of "dull times," depression" and "overloaded stocks" our "decks are cleared for action," and this s tore mirrors all the latest modes in apparel for both men and ladies, as well as displaying rare values secured through our buyer's lucky purchases in the East.

EXTRAORDINARY VALUES AT EVERY PRICE

Cold type can hardly convey to you a reasonable knowledge or appreciation of this season's unusual values. Never did we take keener pleasure in purchasing than we have this season, and never has ready money done more to secure "snappy" prices as it has this season. Every one of the following prices represents a special value and this store's special value mean values unequalled by other stores

\$12.00 West of England Worsteds in medium Greys, superior qualities of imported fabrics, out on all the new lines and tailored in the very best style, singlebreasted styles, good livings and fine trimmings used throughout. These garments equal any \$16.00 suit you ever laid your eyes on.

\$15.00 Fancy Worsteds and D.ersy Tweeds in dark and light patterns. At \$15.00 this represents better value than you ever had the good luck to become acquainted with before. Every garment is hand-tailored throughout. Colors: Dark Greys with Brown Stripes, Dark Steel Greys, also Blue Greys.

\$20.00 A splendid selection of Grey Worsteds, also fine Tweeds, and our popular Blue and Black Worsteds, good for any occasion.
