LOAD FELL ON HIM

Walkerville, Ont., Aug. 19.—Howard Stephenson, an employee of the Walkerville Brewing Co., was trucking some merchandise in one of the warehouses on the second floor of the building to-day, when he stepped backward into an open shafting, falling a distance of about 15 feet. Fortunately the truck did not fall on him, though the load did.

Stephenson's injuries were a badly bruised hip and injured knee and several injuries about the face and head. His lip was so badly lacerated by his teeth that Dr. Storey, who was called in, had to dress the wound by means of several stitches. He was taken to his home on Gladstone avenue where it is thought he will be laid up for several weeks. The young man is about 24 years of age.

JUSTICE HAS BEEN BLOCKED

Writ of Error Granted by U. S. Supreme Court in Andrews Case.

Prejudice on Part of two Jurors Being Alleged—Attorney Investigating the Matter.

Detroit, Mich., August 20.—Frank C. Andrews will not go to Jackson penitentiary just yet, the supreme court having ordered a stay of proceedings in granting a writ of error, and this will entail his remaining in charge of Sheriff Dickson until some further action shall be taken. The issuing of the writ of error is a mere formality and simply gives Andrews the right to apply for a new trial within a year. But the stay of proceedings is something unusual. It means that for an indefinite time, whose duration is to be fixed by the supreme court, the prisoner can reside at the county jail as an honored guest of Sheriff Dickson, instead of doing time at the penitentiary like any ordinary criminal, for the sentence commences from the moment it is pronounced, and every day Andrews is kept here means a day less in Jackson.

The order was issued by Chief Justice Hooker and Justice Moore, sitting in chambers, at the request of Andrews' attorneys, Fred A. Bant, John W. Beaumont and Alex. Groesbeck. Their next step will probably be to move for the release of their client on bail pending the decision of the supreme court on their application for a new trial for him. The question will have to come up, before Judge Murphy, the trial judge, or one of the judges of the circuit court. Should they refuse to admit him to bail, or should they place the bail so high that it would be out of Andrews' power to raise it, it will then be in order to apply to the supreme court on that point also. Judge Murphy's opinion as to the advisability of granting bail has been so clearly expressed that the attorneys are not likely to apply to him again.

A LENGTHY BILL.

The bill of exceptions on which the applications for a new trial is to be based will be one of the lengthiest documents ever laid before the supreme court. Hundreds upon hundreds of exceptions were taken and if they are all to be incorporated in the bill, it will take at least five or six weeks to draw it up. One of the leading lawyers in the case is said to have declared that he would not undertake the job for \$5,000.

The principal grounds upon which the defendant relies are the dismissal of the first panel of jurors, the blackboard incident and the alleged determination of two of the jurors to convict Andrews no matter what the evidence might be. They are alleged to have said when they were called that they were "glad of the opportunity to sink it to Andrews, anyhow." Attorney Groesbeck is making a searching investigation into this, and if he can establish the fact of some of the jurors being prejudiced, it will be the best of grounds for demanding a new trial. But now that the jury has got through with the case and rendered a verdict, the law presumes that everything has been done regularly and fairly, and it will be for Andrews to prove that such is not the case.

There was no more delighted man in town than Frank Andrews when he received the news, which was conveyed to him by Marens Pollack and "Eddie" Barnett, the former having received a telegram notifying him of the stay of proceedings. Andrews heaved a big sigh of relief and then jumped up and shook his visitors by the hand. "It is the first ray of hope," he said. Mrs. Andrews visits him frequently in jail and stays with him for an hour at a time.

Judge Murphy received an unexpected tribute to his masterly management of the case when he walked into his office yesterday morning. He found awaiting him a huge bouquet of flowers which had been gathered by a lad who had lost all his little savings by the failure of the City Savings bank. Judge Murphy left last night for a fortnight's vacation in Mackinac and other points in Michigan. Prosecutor Hunt has gone to Mullett lake, near Cheboygan, for a fortnight. Assistant Prosecutor Merriam is also away on a vacation.

NO ANTI-BRITISH SPEECHES WANTED BY BOER GENERALS

Request Conveyed to Supporters at the Hague—Might Impair Success of Their Mission—General Botha's Address.

Rotterdam, August 19.—De Wet, De la Rey and Botha, the Boer generals, and their party landed here this morning. They were given a hearty welcome by the municipal authorities and representatives of Boer associations. Many ladies presented bouquets to the generals' wives. The ships in the harbor displayed their flags. The party proceeded to The Hague.

PUBLIC RECEPTION.

The Hague, August 19.—A public reception was accorded the Boer generals on their arrival here to-day from Rotterdam. Gen. Eyer, in a speech, paid a tribute to their heroic deeds. Gen. Botha replied, expressing the appreciation of the Boer officers at the warmth of their reception, and referring to the consolation which it had been to them to know that while they fought their women and children were being supported by Dutch generosity. The visitors were escorted in procession through the town in open carriages, and were everywhere loudly cheered by the crowds assembled. A number of Boers who served during the war formed a guard of honor for the generals.

The Hague, Aug. 19.—The space in front of the hotel where apartments had been secured for the generals was closely packed with people. Cheers of "Long live the Boers," greeted the "South African" commanders when they appeared, and then the crowd sang the Transvaal National Anthem, whereupon the generals bowed their heads and waved their hats in acknowledgement of the enthusiastic welcome accorded them. Subsequently a reception was held

BACK SEAT

Kruger and Leyds Will be Asked to Hand Over Reins and Funds of Afrikaners.

London, Aug. 20.—The correspondent of the Daily Mail, at The Hague, telegraphs that he is informed that at the approaching meeting between General Botha and his colleagues and former President Kruger, the latter will formally abdicate his position as Afrikaner chief, and hand over the reins and the residue of funds to Gen. Botha and Gen. De Wet, and Messrs. Fisher and Wolmarans, who were formerly Boer delegates.

Mr. Wolmarans, according to the correspondent's information, will endeavor to dispossess Dr. Leyds, the European agent of the Boers, of the power of signing checks.

There are also rumors here, adds the correspondent of the Daily Mail, of an impending struggle for supremacy between General Botha and General De Wet.

\$500 TIP

Millionaire Gates Completely Demoralized a Waiter at a Saratoga Hotel.

Saratoga, Aug. 19.—A heretofore obscure waiter has been boosted into the horizon of high class tip-grabbers. He is Gustav Bauman, a waiter at the United States Hotel.

When John W. Gates, who was served by Bauman, finished his luncheon, just before he left there, the millionaire beckoned to Bauman and slipping a bill from his ponderous wallet, flipped it toward the waiter. Bauman caught it on the fly, and then faintly—at least he paled and sank into a chair. A \$500 bill was clutched in his nervous grasp. "All for me," he murmured.

Instantly he gave up his job, threw off his apron, ordered a bottle of wine, and when last heard of was driving in a stylish rig toward the race track. Mr. Gates only smiled when asked about the trip.

WHERE COLOR LINE IS DRAWN.

Raleigh, N. C., August 19.—Roadmaster Fred Stevers, of Stevers, Va., was shot and killed by Jim Mitchell, a negro, in a south-bound air line train near Middleburg to-day. The negroes had taken a seat in the coach reserved for whites, and it was over this the trouble occurred. Passengers caught them off their guard and two jumped from the train, escaping to the woods. Bloodhounds have been sent from Elden to chase them down.

MASONIC OUTING

About 150 people came up on the special from Windsor to-day on the Palestine Commandery No. 3, K. T. Masons annual excursion. They were met at the G. T. R. station by the local lodge of Masons in command of D. Lee and were escorted from the station to the lodge rooms by the Detroit city band. The special leaves for Detroit to-night at 11.50 sharp.

MULOCK NOT ILL

Ottawa, Ont., Aug. 19.—In view of a report telegraphed from Ottawa to outside newspapers that Sir William Mulock, postmaster-general of Canada, was very ill and had gone to Paris to consult specialists, Dr. Colter, assistant postmaster-general, cabled to ascertain the facts. To-day he received the following cable from Mr. Lauchinger, private secretary to the postmaster-general:

"Report referred to absolutely without foundation."

JOHN MILLER CHOSEN

Sandwich, Ont., Aug. 19.—The Essex county council met in special session at Sandwich this afternoon and selected John Miller, one of the number, to fill the vacancy caused by the death of the late John McKee as clerk of the county of Essex. Miller was decidedly in the lead from the onset, despite the number of entries for the coveted position. When the final ballot was taken the vote stood 8 to 5.

A by-law was then drafted and passed confirming the appointment. The new clerk has been a member of the county council for a number of years and retired from the office of warden of the county in January last. The council passed a resolution of condolence on the death of the former clerk, Thomas A. McKee.
