Mr. and Mrs. W. B. Eaton have purchased from Mrs. G. W. Churchill a most desirable lot on Summer street, and will begin the erection of an up-to-date residence for themselves thereon in the near future.

Mr. A. C. Johnson has rented his place on Gaspereau avenue to Mr. W. O. Pulisfer and has removed to the old Armstrong place on Main street, where he will in future reside. Mr. and Mrs. Pulisfer expect to occupy their new home about the middle of the month.

The congregation of St. Andrew's Church listened on Sunday last to two excellent sermons by Rev. Dr. Spidle, who officiated most acceptably in the absence of the minister. At the morning service Dr. Spidle took as the subject of his most interesting address, "A Symphony of Graces", his text being in II Peter 1:5,6,7,—"Add to your faith courage, and to courage knowledge, and to knowledge self-control, and to self-control patience, and to patience godliness, and to godliness brotherly kindness, and to brotherly kindness love". At the evening service the sermon was of an equally interesting and helpful character, the subject being "The Friendship of Jesus".

The Wolf Cubs will meet on Thursday evening and the Boy Scouts on Friday evening at 7 o'clock.

Mr. Robie Tufts addressed the Wolf Cubs last evening on birds and the need of protecting them. He illustrated his lecture with slides. He will speak to the Boy Scouts at a later date.

WOLFVILLE TENNIS CLUB

The annual meeting of the Wolfville Tennis Club was held recently when the following officers were elected:

President—Dr. C. E. A. deWitt
Vice-President—Dr. Eugene Eaton
Sec.-Treas.—Prof. A. B. Balcom

The college tennis courts will be used again this season and are being put into excellent shape in preparation for a busy summer.

THE LITTLE SHOP OPENS NEXT MONDAY AT TWO P. M.

Tea and Sandwiches Served Free

The Little Shop on the corner of Main and Linden Ave. in Wolfville, is to be opened on May 14th, promises to be altogether fascinating. To prove that exquisite frocks are to be had for the limited purse and that smart fashions are not a matter of costliness there will be shown effective New York ratones, swagger Scotch gingham, dainty French organdies and English voiles. Aprons swank enough to induce even the laziest to clean house. There is to be attractive clothing for children of all ages and dainty sophisticated hand-made underwear in many materials.

Another charming idea! In the Little Shop one may have one's face and hands made beautiful, one's hair shampooed and arranged and, what is not only a charming but arresting thought, a permanent curl. This will be interesting to ladies all over the Province and make the Little Shop one of the few places in Canada where emancipation from hair curlers has become a comfortable fact.

Coming Events

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

At a meeting of the executive of the N. S. Fruit Growers Association held at Kentville last Saturday it was decided to hold the next annual meeting at Wolfville, Jan. 15, 16 and 17, 1924.

Celebrating the 104th anniversary of Odd Fellowship in America, Orpheus Lodge, I. O. O. F. will attend divine service at St. John's church Sunday morning, May 13th. The Rector will preach. The Odd Fellows will be escorted to and from the church by the Wolfville band.

Next Sunday, May 13th, will be Mother's Day. This occasion, which has become a well established anniversary, deserves general observance. The wearing of flowers on that day in honor of the mothers of the land is a pretty custom that should be universal. If mother is living the flower should be colored and if dead pure white.

The young people of St. John's Church School are holding a Pie and Basket Social in the Parish Hall on Tuesday evening next at 8 o'clock. Young ladies are asked if possible to bring a pie or basket of refreshments and the young men the where-with-all to purchase the pies when they are put up at auction. As is customary in such cases the donor of the pie goes with the pie to the highest bidder. A Program of music will be given during the evening.

WOLFVILLE SCOUTS WIN SERIES

The Basket Ball game between the Windsor and Wolfville Scouts, played in the College Gymnasium last Saturday morning, was a cleanly played and interesting game. This was the final game of the series and gives Wolfville the championship, as they won by the score of 20 to 9. After the game both teams enjoyed the privilege of a swim in the tank. The kindness of the College authorities in allowing the use of the Gymnasium for their games is greatly appreciated.

It is probable that a Baseball league will be played through the summer between these troops.
