oni is sixty-one years old and Franchi is two years his junior."

Cabinet Changes-Who Remain?

When Mr. Mackenzie's Administration was originally formed, it consisted of no less than fifteen members (contrary to the professions of Opposition), two of whom (coutrary to York, for money loaned; the creditors of Opposition professions) did not hold are mostly performers. Many changes have taken place since that time, the most of the retired members taking that step to

Mr. "W." Ross, made Collector of

of the North-West Territories.

Tragic End. A SOLDIER FREEZES TO DEATH FIFTY

FEET FROM A FIRE. soldiers came here from Plattsburg, in other words they engaged in great excesses, so that their money soon fied. In that condition they applied to the United States Consul here for help, but he could do nothing for them, it the could do nothing for them, it feb. 13, 4w appears. One of them, named Wm.
Mead, started to walk back to the States, and got as far as Windmill

perishing in the sight of bright fire-sides.—Montreal Witness.

Presbytery, of the Established Church, telegraphed to the Pope that an interdict will be demanded against the ham by Dr. Pallen. Feb. 1-2m. proposed Papal hierarchy from the Supreme Civil Court of Scotland, and

the laws of the country will be rigidly is Professor Clark, the inventor of Clark's Derby Condition Powders?" He is one of the most eminent Veterinary Surgeons the No. S., says:—The schr. Mary M. of Gloucester from Fortune Bay, N. F., reports the failure of the fleet to procure frozen herring and says that the scarcity of the fish run up the price, and that the Boston Advertiser's gross made him equally famous with those who outrage" is a great exaggeration.

NOTICE.

A Bill will be introduced before the next session of the New Brunswick Lexislature, to Authorise the Kent County Covincil to Levy the Debt now owing by the several colleges in which a knowledge of this subject is taught. His Condition Powders have and that the Boston Advertiser's gross made him equally famous with those who were unacquainted with his writings. were unacquainted with his writings.

conciled with the Vatican without sacrificing his independence as sovereign of United Italy.

Pecci, who is believed by many persons to have a good prospect of election, has shown himself to be a man of unusual administrative ability. He was the foe of Antonelli, but is not especially obnoxious even to the extreme men, although he is not himself extreme. He has shown himself to be pliant and politic in the management of difficult affairs, and perhaps no other man who could be chosen would likely so soon or so easily as he to bring about some kind of reconcillation with the Italian Government. He is 68 years of age, but has much vigor and youthful activity of mind, and he is a man of the sort called the late of the concentration of the sort called the late of the concentration of the population of the late of the extreme. He has shown himself to be pliant and politic in the management of difficult affairs, and perhaps no other man who could be chosen would likely so soon or so easily as he to bring about some kind of reconcillation with the Italian Government. He is 68 years of age, but has much vigor and youthful activity of mind, and he is a man of the sort called the late of the late o

and he is a man of the sort called practical. His knowledge of men and hisskill in dealing with them have been displayed in several different matters of administration, and notably in his dealings with the intrigues of the nobility. He is known to believe that the present relations between the Vatican and the Quirinal are necessary.

Simeoni and Franchi are strong candidates. The first is the successor of Antonelli as Secretary of State, and is devotion to his Church. If elected he would certainly continue the obstructive policy of the is devotion to his Church. If elected he would certainly continue the obstructive policy of the kis. Pow.

The Hon. Messrs. Fraser, Young and Crawford, of the Provincial Government, have gone to Ottawa to look attempts of administration, and notably in his dealings with the intrigues of the nobility. He is shown to believe that the present relations between the Normal Annual Practical Dissings ment to estile their financial and without extending negociations of the Provincial Governments ought to contain enough practical business men to settle their financial and without extending negociations of the provincial Governments ought to contain enough practical business men to settle their financial and without extending negociations of the provincial Governments ought to contain enough practical business men to settle their financial and without extending negociations of the provincial Government of the county of the county of Northumberland, by the County Council, January Sittings, 1878.

started to walk back to the and got as far as Windmill for the People.—There are but few preparations of medicines which have withstood the impartial judgment of the people for the people for the impartial judgment of the people for the impartial judgment of the people for the people for the impartial judgment of the peopl States, and got as far as Windmill Point, in Alburgh, after dark on the 24th. He desired to get permission several residents there to stop over night, but they all refused him admission, having been much troubled by tramps, who abound there. The night was intensly cold, the thermometer being far below zero, and he must have become overpowered by the frost, as he was found frozen to death next morning within fifty teet of a fire.

A correspondent writes as follows on the above case:—On Wednesday night last a soldier of the United States army was frozen to death at Windmill Point, opposite Rouse's Point, on the Vermont shore. It is admitted the poor fellow applied to two houses for shelter and was refused, and at how many more he received the same inhuman treatment is not known. There are twenty-five houses in the village. The frozen body was found next morning with marks in the snow where he had repeatedly fallen before taking his last sleep. The soldier was perfectly sober and there is no reason to suppose he had taken liquor. The night was exceedingly cold, and no public house near where he could find shelter. He fell a victim to man's inhumanity, perishing in the slight of bright firesides.—Montreal Witness.

WHAT THEY EXCPLE.—There are but few preads of medicines which have which the people for any great length of the convinced:—Thos. Rebinson on the langth of convinced:—Thos. Rebinson on the length of the people don't any great length of the people for any g
