\*\*CAPE OF 67^-\*\*

The Genas-1 of CAPE OF 67^-\*\*

The General Screw Stam-shipping Company's Steamship Harburger, Commander J. W. Jane, arrived at Plymouth on Taesday We learn that the affilie in Kaffriand had in no way improved at the departure of the Harburger. The Kaffrie continued their decay in the departure of the Harburger. The Kaffrie continued their decay is simulty killing the colonists, and in this they were generally assisted by the rebell Hottentots.

As yet no check has been given to them by Sir Harry Smith. As yet no check has been given to them by Sir Harry Smith. As yet no check has been given to them by Sir Harry Smith. When troops were required. In one engagement, Liest., Col. Foreset, decay were presented at the Cape was still greatly excited. The public feeling at the Cape was still greatly excited.

They think there should be a local militin, and that could not be and effected without a local government, which the colonists should into the colonists.

The Moniteur announces that the Palace of the Tufferies will in future be the official residence of the President of the Republic.

Ye and the prosess shall henceforth bear on the face the effigy of the teter prosident of the Republic, with the middle of a border of cak and larrel beares, together with the middle of a border of cak and larrel beares, together with the middle of a border of cak and larrel beares, together with the middle of a border of cak and larrel beares, together with the middle of a border of cak and larrel beares, together with the middle of a border of cak and larrel beares, together with the middle of a border of cak and larrel beares, together with the middle of a border of cak and larrel beares, together with the middle of a border of cak and larrel beares, together with the middle of a border of cak and bare the motto, "Dieu protege the trip of parts; but it was observed that there was a remarkable searcity of parts; but it was observed that there was a remarkable exercity of parts; but it was observed that there was a remarkable searcity of parts; but it was observed that there was a remarkable searcity of parts; but it was observed that there was a remarkable searcity of parts; but it was observed that there was not present. The Marquis of Normandy was also absent.

Several changes are made among the admirals in command of the parts; and La Piata station.
