**BUY AT HOME****OBITUARY****LOUIS MUNN**

The death of Louis Munn, son of Abraham Munn of Boiestown, occurred in the Miramichi Hospital last Friday morning. Deceased was working on the Fraser Company drive on Dungarvon River and in an attempt to catch a rolling log with his peevie, which would have crushed him if not caught, strained himself in such a degree that it was necessary to bring him to the settlement of Boiestown at once. The Fraser Company did all in their power to alleviate the man's sufferings but it became necessary to remove him to the Miramichi Hospital, where he died shortly after his admission. As soon as the Fraser Company learned of the death of Mr. Munn they immediately phoned Mess. A. J. Bell &amp; Co. Undertakers to provide a suitable casket and arrange for the shipment of the body to his home in Boiestown, thus showing the interest this firm takes in their employees.

The remains were sent to Boiestown on Saturday morning's express in charge of Mr. Norad Munn, uncle of the deceased young man. Deceased leaves to mourn his wife (nee Miss Grace Brown).

The funeral was held in Boiestown on Sunday afternoon at 2 o'clock.

**JUDGE J. F. CONNORS**

The death occurred on Wednesday night in the Hotel Dieu Hospital of Mr. James F. Connors after an illness of some weeks. The late Mr. Connors was 64 years of age and for the past twenty years has occupied the position of magistrate for the town of Chatham.

He is survived by two sisters, Miss Margaret who has been living with her brother for some time past, and Rev. Sr. Kane of the Hotel Dieu of St. Joseph, Chatham.

Mr. Connors was a son of Moses Connors who resided in the west end and for years ran a store there. He received his law education at Dalhousie College, Halifax and returned to Chatham to practice, subsequently receiving his appointment to the local court. Mr. Connors has also been meteorological recorder in Chatham for many years. He was a leading member of the local Miramichi Council, Knights of Columbus C. M. B. A., A. O. Fredericton Mail: Alex. Carson a well known resident of Pleasant Ridge, Northumberland who has been undergoing treatment at the Stanley hospital for some weeks, recently, had his foot amputated by Dr. Moore. Mr. Carson injured one his toes while snow-shoeing last winter and blood poisoning set in. This made amputation of the foot necessary.

passed away Wednesday morning at 6.30 o'clock after an illness of several weeks duration. He was but 46 years of age and deep sympathy will be extended his bereaved wife and family and his parents who survive him.

Dr. Duffy was born at Charlotte-town; P.E.I. in 1876, son of Mr. and Mrs. James J. Duffy. He received his schooling in that city and at St. Dunstan's college, going to McGill for his medical course where in 1900 he graduated with the M.D.C.M. of that university. The doctor always took a deep interest in athletics and while at McGill was a member of the Medical Football team, the winners of the Game Cup for four years from 1896 to 1900. This interest in sports he carried to his adopted town of Chatham, and Dr. Duffy was always foremost in promoting clean, healthful sport in this community. His work in connection with hockey, baseball and other sports is still fresh in the minds of citizens as he only retired from the presidency of the Chatham Amateur Athletic Association within the past year. A genial, witty physician, his presence in sick room or pleasure ground was always an inspiration and his loss is a severe one to the town and citizens in general.

Shortly after locating in the Miramichi, Dr. Duffy married Miss Anna Hennessy, daughter of Mr. Patrick Hennessy of Newcastle. His wife, six children, Frank, Patrick, Catherine, Jack, Joe and Charlie, seven brothers and five sisters, as well as his parents, survive him.

Deceased was a member of Miramichi Council, 1291, K. of C. and of the Hotel Dieu Medical staff, in the development of which institution he always took a deep interest.

The funeral was held on Friday morning at 8.45 o'clock to St. Michael's cathedral.

**A NERVOUS BREAKDOWN****When the Blood is Out of Order the Nerves are Starved**

The nerve system is the governing system of the whole body, controlling the heart, lungs, digestion and brain; so it is not surprising that nervous disturbances cause acute distress. The first stages of nervous debility are noted by irritability and restlessness, in which the victims seem to be oppressed by their nerves. The matter requires immediate attention for nothing but suitable treatment will prevent a breakdown. The victim, however, need not despair, for even severe nervous disorders may be relieved by improving the condition of the blood. It is because Dr. Williams' Pink Pills enrich the blood that this medicine has proved beneficial in nervous disorders. The nerve thrive on the better blood made by these pills; the appetite improves, indigestion is better, sleeplessness no longer troubles the nerve-shattered victim, and life generally takes on a cheerful aspect. The value of these pills in cases of this kind is shown by the experience of Mrs. John W. MacDonald, Cardigan, P. E. I., who says:—"I have much cause to be grateful to Dr. Williams' Pink Pills. I was suffering from nervous breakdown, and my condition gave alarm to both my friends and myself. I suffered almost continuously from nervous headaches, my appetite was poor, I hardly got any sleep, and in every way I was badly rundown. A friend advised me to try Dr. Williams' Pink Pills, and after I had taken them for a while there was a noticeable improvement in my condition. I continued using the pills until I had taken twelve boxes, when every symptom of the trouble was gone, and I have since enjoyed the best of health."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville Ont.
