For days, Herr Tannhauser struggled with death. Out of doors, the doctor had made cautious inquiries of all the Tannhauser circle in Vienna, and had had his fears confirmed—there were traces of insanity in the family.

So Hwrr Tannhauser escaped death, but reason was for ever unseated. Meanwhile. Aennehen had, twice a week, fulfilled her duttes, for the public servant must stifle grief—the father must play Charles Surface the his child lie, dring at home; and the daughter must warble her sweetest though her lather be raving in 'the padded-room.' beaten upon the window-pane. 'Let us be thankful; it might have been worse.' 'Worse!' exclaimed Mr. Crasket, testily, 'why, what is Twins, or even Thrins, com-

Impossible! exclaimed Quiverful, aghast at such a flightful supposition, and turning his ear mechanically towards the window pane.
