## THURSDAY'S GRAIN MARKETS.

Winnipeg, November 21.—Cables  
were lower and considerable selling  
pressure developed early in American  
markets, and in spite of genuinely  
bullish news from abroad, buyers  
seemed discouraged. In Winnipeg  
the decline in price improved the ex-  
port demand, more especially for low  
grades No. 4, 5, 6 and feed, which  
were in line for export. Contract  
wheat is still out of line, and trade  
in it was limited. May wheat drop-  
ped. No. 4 closed at 88½; No. 5, at  
74; No. 6, 59 and feed at 51. Receipts  
were 348 cars against 199 last year,  
and of these cars 165 were contract  
grade. American markets showed a  
drop of 1½ for December, 1 for May  
and ½ for July in Chicago, and 1 to  
1½ for December and 1½ to 1½ for  
May in Minneapolis. This left Win-  
nipeg May 10½ over Chicago, 5½  
over Minneapolis and 4½ over Du-  
luth. Though nothing definite could  
be learned, there seemed to be some  
relief of the financial situation, cer-  
tainly buying was on a more liberal  
scale than for some days.

Winnipeg options—Wheat, Novem-  
ber, 1.03½; December, 1.03½,  
1.02½; January, 1.03½, May  
1.12½, 1.11½; July closed 1.12. Oats  
November, 50, 51; December 50½,  
49½; May closed 45½; Winnipeg cash  
wheat, 1 Northern, 1.02½; 2 Northern,  
99½; 3 Northern, 94½; No. 4 wheat,  
86½; No. 5 wheat, 74; No. 6 wheat,  
59; feed, No. 1, 51; rejected, 1.  
Northern, 95; oats, 2 white, 51; flax,  
1.01.

American options—Chicago, Decem-  
ber, 92½, 91½; May, 1.01½, 1½; May  
1.08½, 1.06½.

## TO-DAY'S GRAIN MARKETS.

Winnipeg, Nov. 22.—The wheat  
markets have been quiet today.  
Liverpool was ½ to 1½ lower early,  
but closed ½ lower to ½ higher. The  
American markets opened weak, then  
made a good advance, but again sold  
off, closing ½ to 1½ lower than yes-  
terday. Winnipeg acted stubbornly,  
but also sold off, in the end closing

## DR. MCINTYRE'S NOMINATION

Wetaskiwin Convention Tenders Nomination to Popular Member for Strath-  
cona to Contest That Riding in Liberal Interests in Next Federal

Elections—Nomination Unanimous, No Other Name Being Suggested

—A. S. ROSENROLL Elected President of Association.

Bulletin Staff Correspondence.

Wetaskiwin, Nov. 20.—If unanimi-  
ty of opinion in the selection of a can-  
didate, enthusiasm in behalf of the  
chosen representative of the party and  
expressed loyalty to the principles as  
enunciated by the political leaders,  
are indications of the results of an  
election, the triumph that will at-  
tend Dr. McIntyre, M.P., in the com-  
ing federal contest in the Strathcona  
constituency is already assured. Never  
has there been a more unanimous  
or enthusiastic feeling expressed in  
the choice of a representative than  
attended the Liberal convention in  
Angus hall at Wetaskiwin yesterday.

Representative Convention.  
There were present delegates from  
all parts of the riding, eager to assure  
the popular M.P. of the continued  
support of their districts in the com-  
ing election. Not another name was  
even mentioned as a prospective can-  
didate, and when Dr. McIntyre rose  
to respond to the hearty nomination  
he was received with continued ap-  
plause.

The attendance, despite the neces-  
sarily short notice and incomplete ar-  
rangements, was a most representa-  
tive one. There were present some  
seventy accredited delegates from all  
parts of the riding.

were the following:

Ewen, Leduc.

There were two sessions, a brief one  
in the forenoon for the appointment  
of committees, etc., and a more  
lengthy one after lunch for the main  
business of the convention.

Senator Talbot, who occupied the  
chair, congratulated the gathering up-  
on its large and representative na-  
ture. He explained the delay in call-  
ing the convention as due to the im-  
mense amount of work in connection  
with the delineation of the boundaries  
of the new constituencies.

On motion of J. M. Douglas, Strath-  
cona, seconded by Mayor Mills,

## Confidence in Dr. McIntyre.

Resolved that the Liberals of the  
Strathcona constituency express their  
approval of the wise and progressive  
immigration policy of the Liberal gov-  
ernment. The influx of industrious  
capable citizens into Western Canada  
has converted the prairies into cul-  
tivated wheat fields and built up  
villages, towns and cities, which to-day  
are commercial centres of rising im-  
portance. The Liberal government is  
to be congratulated for its policy of  
encouraging the immigration of such  
people to the national property of Can-  
ada.

## Confidence in Dr. Rutherford.

Resolved that the Liberals of the  
Strathcona constituency express their  
absolute confidence in the provincial  
government of Hon. A. C. Rutherford.  
Dr. Rutherford has surrounded him-  
self with able colleagues, each one of  
whom has proved worthy of the trust  
imposed upon him, and the adminis-  
tration of Alberta has been thrifty,  
capable and popular.

## Afternoon Session.

When the convention met again at  
eight o'clock, the chairman of the con-  
stitutional committee reported that 69  
duly accredited representatives were  
present. Senator Talbot expressed his  
pleasure at the large number in at-  
tendance despite the short notice. The  
report was adopted.

## Nomination of Candidates.
