### Opening of New C. C. C. Hall.

The formal opening of the new C.C.C. Hall at the King's Beach, will take place next Friday evening, under the distinguished patronage of His Excellency the Governor and Lady Davidson, and His Grace the Archbishop. The ceremony will be marked by an "At Home," which will comprise a concert and dance. The interior of the new hall is most elaborately decorated, contains all modern conveniences, is well lighted and ventilated and is the result of good workmanship. No doubt the opening night will witness a large attendance.

### Fishery News

From F. Curnew, July 17th. (Bellocorum to Rencontre).—The catch to date is 15,880 qtls. with 250 for last week. Prospects are good for nets and there is sufficient bait for local use. The lobster fishery is very poor. From C. Rendell, July 17th. (Heart's Content to Winterton).—Eighteen traps, 12 dories and skiffs and 250 boats are fishing. Hooks and liners are doing nothing to date, but caplin is plentiful. The lobster fishery is a blank. The majority of boats are engaged turbot fishing. There is a shortage of salt at present in this vicinity. The total catch is 470 qtls. and for last week 70.

SALT AFLOAT.—There are now several thousand tons of salt afloat in the harbor, which presents a busy scene as several schooners and steamers are loading from the Nascoptic and Bellerby.

## Too Nervous To Drive a Car?

That's too bad, old man, but you know nervousness is largely due to wrong habits of eating and drinking. If you would quit tea and coffee and use Postum your nerves would steady up.

Postum has a delicious, snappy flavour and there's no drug in it—that's where it's got tea and coffee beat a mile.

Sound advice.

More and more, people are waking up to the harmful effects of caffeine—the drug in tea and coffee—a frequent cause of nervousness, heart flutter, dizziness, headache and other ailments.

## Instant Postum

is the soluble form of the original Postum Cereal. A level teaspoonful of the crystalline powder in a cup of hot water makes a delicious food-drink instantly. 30c and 50c tins.

The convenience of Instant Postum is seen at a glance, but some prefer the original Postum Cereal which must be thoroughly boiled—15c and 25c packages. Grocers sell both kinds and the cost per cup is about the same.

A change from tea or coffee to Postum has been a good thing for thousands.

### PRESENTATION OF COLOURS DOUBLY APPLAUDED.

The attraction of St. John's at present is the Nickel Theatre where the Presentation of the Colours at Stoba Camp are being shown. Yesterday afternoon and last evening the Nickel was crowded. Everyone was anxious to see the soldiers. Many had seen the picture the day before but they wanted to see it the second time and will go again. The Newfoundland soldiers look as smart and trim as any ever shown at the Nickel and that's saying something. Citizens were naturally proud of their friends in khaki. They marched well, and are a sturdy lot in every particular. The enthusiasm was great and the applause as the boys marched past was loud. Several were loudly made out and the audience called their name. The picture will be shown as an extra to-day and to-morrow and those who have not yet seen it should be sure and attend. "The Hazards of Helen" will be continued to-day. It is a thrilling episode. The bumper matinee for children takes place to-morrow afternoon. Send the children and let them see the soldiers. The little ones will be delighted to see them. "The Million Dollar Mystery" will also be repeated.

### "THE TICKET-OF-LEAVE MAN."

The headliner at the Crescent Picture Palace to-day is "The Ticket-of-Leave Man," this famous detective drama is produced by the Biograph Company in two reels and is staged and acted in a masterly manner by the celebrated Biograph stars. Bobby Connelly, the clever boy actor, features in "The Heart of Sonny Jim." G. M. Anderson is seen in one of his best roles in "Broncho Billy's Christmas Spirit." "Diogenes' Weekly" shows a few of New York's best things. "Saved by Their Cheeld" is a laughable comedy. Extra pictures will be shown for the children's benefit at the big Saturday matinee. Send along the children, the Crescent staff will take good care of them.

### THE AEROPLANE ENTERTAINMENT.

Try and leave next Thursday night open so you can attend the best concert you have seen for many a long day in aid of the Aeroplane Fund. Now, everybody can afford a little toward this great object, you will have given your mite and you can sit and enjoy a nice entertainment as a receipt for what you give. A full account of the entertainment will appear shortly. There will be variety enough to please all. His Excellency the Governor and Lady Davidson have been able to devote all of his time at the of our prominent citizens as well. As for the show well, it will be a real one; our finest amateurs will rise on this occasion. Wait until you read the programme. Tickets will be on sale at Gray & Goodland's, and many are sold already.

### BRITISH THEATRE.

Highly entertaining and instructive photo plays will be shown at the popular "British" commencing this afternoon. The well-known actor John Inc is strongly cast in a powerful society comedy drama consisting of two reels entitled: "Her Mother was a Lady." The balance of the programme is of the highest class. Patrons will be pleased to hear that the new singer will appear very soon. She is Miss Dorothy Knowles, and comes very highly recommended by the Eastern Manager of the United Booking Offices of America (Mr. C. Wesley Fraser). This is the Company which supplies acts to all of the Keith-Proctor and Orpheum Circuit Houses. Mr. Cameron will thus be able to devote all of his time at the managerial end of the business and patrons may confidently look forward to some very excellent entertainments.

### "OURS" IN THE WEST END.

There was a crowded house last night at the popular little house. The two little singers were loudly applauded for their great song, "The Little Lads," which they sang in great form; they are the next that have appeared at the little house. Don't miss this, it is a treat. Tonight a complete change of pictures.

### Overcome by Heat, Five Person Die.

By the Red Cross Liner Stephano, which arrived yesterday, we learn that the heat during the second and third week of this month at New York was intense and that thousands of people were leaving there for more congenial climes. On Friday last, the day before the Stephano left New York for here, five adults dropped dead from heat. It is not at all likely that such fatalities are going to occur in St. John's on account of hot spells, judging from present indications.

OCEAN CONCERT.—An enjoyable concert was held on board the Stephano on Wednesday night last, when the sum of \$10 was taken up in aid of the Seaman's, Widows' and Orphan Fund. Those who took part were Rev. H. Uphill, Miss L. Jones, Miss Doyle and Miss Thompson. Hon. R. K. Bishop presiding. The ship's orchestra supplied excellent music.
