What a Kohler & Campbell Player-Piano Means to You.

OWING to the fact that it is so easily played; that it is so very simple in its operation that a child can play it, a Kohler and Campbell player-piano will open up the entire world of music to your home. The advantage of any player-piano lies in the fact that it is an instrument that does not have to await the skill of a pianist, of someone who can play by hand. But with a Kohler and Campbell player-piano, the ease and simplicity with which it can be played, by anyone, you have a means of playing the music you like, playing it yourself and playing it as you wish it played. You are the master of a Kohler and Campbell player-piano: It is not the master of you.

The price is \$700, upon any reasonable terms, satisfactory to you.
