Important Announcement!

We are now ready to announce to the trade and to the public generally the opening of our Manufacturing Concern of Ladies' Readymades.

This is an enterprise which merchants will hail with joy, as Newfoundland has always been greatly affected by the lack of local made Ladies' Readymades, and at the present time this drawback is more keenly felt than ever before.

The severe rate of exchange, the high duties, freight charges and the uncertainty of safe transportation, which heretofore was a source of worry and trouble to you, we now shift to our shoulders and deliver to you at your door the finished product, in perfect condition, and at prices far cheaper than that of imported merchandise.

Another benefit that you derive from local made goods is that the local manufacturer strives to produce his merchandise to suit the needs and tastes of the Newfoundland people; a thing which foreign manufacturers cannot and do not do. We have made a careful study of the Newfoundland woman's likes and dislikes in the matter of Readymades and we are now producing Costumes, Raglans and Skirts to please your customers.

Advocate local made goods and increase your business. We are now showing samples. If you cannot call, drop us a card and our representative will call.
