THE ADVERTISER, LONDON, ONTARIO, FRIDAY, MAY 26, 1905.

PRICE TWO CENTS.

ROJESTVENSKY HAS DIVIDED HIS FLEET: OYAMA'S RESERVES IN STATE

Jap Raid.

Admiral Rojestvensky has divided his fleet. Seventeen vessels of last. According to reports the raid of cattle traveled 270 miles in eleven. May 23 was launched from Mongolia. Cattle traveled 270 miles in eleven. the Baltic Fleet anchored at Saddle Island last night. It is A Cavalry Battle. believed that they coaled there and that from that point they reconnoitering deep into the Russian Russian merchants and reconnoitering deep into the Russian parties to enter his country. will proceed north.

Tsingtau, May 26.-The Russian fleet is assembled near Woosung, and the lowing day penetrated almost to Tan- who greeted the former commander-German squadron at Tsingtau is preparing for eventualities.

Tokio, May 26, 11 a.m. -- It is believed there that the action of the Russians in sending some vessels to Shanghai is part of a diversion plan to draw off a portion of the Japanese fleet. It is thought that possibly the Russians intend to intern the slower craft, but the visit and withdrawal of the faster vessels is regarded to be with-

out purpose unless as a diversion. The whereabout of Admiral Rojestvensky's fleet is not reported, and opinion is divided as to whether it has entered the Pacific or returned to the lower Chinese coast.

The location of Admiral Togo's fleet continues to be seeret. Popular feeling is undisturbed and the Japanese public is confident that Admiral Togo is prepared to meet any situation

Where's That Russian Fleet?

London, May 26. - The report from Tsingtau, the port of the German concession at Kianchou, Shantung Peninversion of the dispatch of the Associated Press from Shanghai yesterday saying that it was creditably reported there that certain Russians vessels had arrived at the mouth of the Yangtse River yesterday afternoon. Both Woosung and Shanghai are situated on branches of the Yangtse River. No news has been received from any other point tending to alter the facts cabled to the Associated Press yesterday from Shanghai, and there is no doubt that bled off Woosung such important news would have been flashed from Shanghai which is only eleven miles south of

Japs in Revolt.

Gunshu Pass (108 miles north of Tie Pass), Manchuria, May 26.—The Japantactics are puzzling. They give way at the slightest pressure against their center on both the railroad and the mandarin road. The Chinese explain the retirement to trouble among the reserves, some of whom they say are almost in a state of revolt because the Government has not kept its prom-

ise to return them to Japan. The retirement of the Japanese cen ter is interpreted by some of the Russian officers as a postponement of Field Marshal Oyama's offensive because of the bad state of the roads, but this view is not shared by all the

A Daring Raid.

St. Petersburg, May 26, 1:50 p.m. — Nothing further has been heard here of the reported naval battle south of the Island of Formosa. The daring attempt of the Japanese the bridge over a tributary of the Tung Liao, 20 miles south of the Russian main line from Kuanchengtsu (about field railroad, bears a striking resem- exposure and exertion.

A Russ Fleet Coals Near Shangblance to the blowing up of the bridge over the Kainskair River, 160 miles north of Mukden by Major Nanganuma of the Japanese army, just before Field

Jap Raid.

The appearance of the Japanese so far from their base is taken to indicate that their desire is for information before turning this flank.

of the European

Ottawa, May 26, - Herbert Laws Webb, of London, England, an expert, was heard before the special commit-

tee on telephones today. Mr. Lafleur, representing the Bell Company, said that Mr. Webb had been brought from London at the expense of the committee. There were only two or three members in attendance, sula, is in all probability a magnified and it was suggested that Mr. Webb's gow system, Mr. Webb said that the evidence might be held over until there municipal system was somewhat obwas a larger attendance. Meantime solete. If taken over it would have to several more members arrived, and it be reconstructed. At a stroke £350,000 was decided to go on. The witness said would have to be wiped out because that he was a consulting engineer, of of an obsolete plant. The reason why London, England, in addition to being a telephone expert, and had studied Glasgow despite the higher price was not only the telephone systems of Great | because of superior service given. The of Continental Canadian system was much superior Europe. In regard to Dagger's report on European telephone systems, Mr. Webb distance 'phones in Canada.

prevent a runaway, Dr. J. W. Brien turned his automobile very quickly and ran into a ditch, with the result that ne had the misfortune to break a leg. James Dixon, who occupied the auto with him, escaped uninjured.

The United States Wheat Duty.

Sarnia, May 26.-Fred Wees, a son of David Wees, of Point Edward, had an experience yesterday afternoon which he will not forget soon. Wees had discharged a load of fish from a small smack on the American border and set off for the Canadian shore. A gale May 23 to cut the railroad and blow up was blowing and when opposite the lightship in Lake Huron, his boat capsized. He clung desperately to a bar rel for over two hours, when he was 30 miles northeast of Gunshu Pass) to sighted by Abner Rawlings, a marine

Riots in Philadelphia

Gang Over Big Gas Steal.

Philadelphia, May 25.—Driven to desperation by the action of Mayor Weather the mayor from the central of the ver in leading the fight against the leaders because of the determination to transfer of the city gas works to a lease the city gas works for 75 years company, and in expelling Directors for \$25,000,000 the organization finds Costello and Smyth from the city hall, the machine has concluded preparations to impeach the mayor tomorrow. Immediately following this unexpected action, Boss Durham, United States Senator Penrose, State Senators Vare and McNicholl and the trusted lieutenants of the gas gang went into coutenants of the tenants of the gas gang went into conference with an array of legal talent A. S. L. Shields, one of the greatest criminal lawyers in the east, at its head. A bill of specifications was drawn up and 20 citizens will sign it, and lawyers will present it to the with orders from the ring to break up courts tomorrow asking the judges to the crowds at any cost. Inside the send the mayor before the councils for corridors and council chambers will be judgment. The councils called hastily packed by guards and police for the purpose will impeach him and by 6 o'clock he will be ripped from office until the courts put him back under an injunction.

If it is carried out Philadelphia will see one of the greatest riots in the history of the country, and the city hall plaza will be stained with Crowds are increasing about the streets, and the constant rumor of what is impending has worked them up to the highest pitch of excitement. In Overbrook, where Mayor Weaver lives, 1,500 men who had been attending the mass meeting marched to his house and sang "My Country, 'Tis of

The People Roused.

The gas lease steal and practically all other matters have been swallowed up, however, by this amazing uprising that has come like a thunderbolt against the organization led by Israel Durham. that for fifteen years has held absolute sway in the city, controlled every office, spent every penny of the city's money and produced a majority rang-

Rioting Commences.

Rioting began in earnest tonight. A mob of three thousand men besieged the house of Walter T. Sykes, a member of the select council who voted for the gas steal last Thursday. "Come and Minnesota to the Canadian Northout, Sykes. We want you," they cried. West would be greater this year than Assured that he was not at home, the mob moved on to his big automobile the farmers were all talking of lands works. They surrounded it and guard- in the west; many were packing up to works. They surrounded it and guarded to ed every entrance, then they yelled for the councilman to come out. Trembling and white with fear, he finally appeared. Then, under threats of killing the him and burning his plant down, they had a council to the council made him swear with uplifted hand to

with the bandits.

Companies.

Detroit. Mich., May 26. - The cusoms duty on the Canadian steamer Midland Queen's cargo of 77,000 bushels wheat, which is now being unloaded at one of the Michigan Central's elevators, is about \$9,000, for the cargo. According to the customs regulations. if this grain is manufactured in this country, and exported the duty, minus 1 per cent, will be refunded to the shippers.

House Dead at Paris.

A MAN OF LAVISH CHARITIES

Financed the Indemnity After the Franco-German War and Looked After Vatican's Money.

Paris, May 26. - Baron Alphonse de Rothschild, head of the French branch of Rothschild, and governor of the who desire to work for Mr. Hyman or Bank of France, died this morning at been sinking slowly for many days, but there was no apprehension that his death was imminent. He first took to lies gave promise of his recovery. Two they will be deported. days ago the baron began to fail rapidly and his condition assumed a dis quieting attitude.

Although he kept up an animated conversation with members of his family and the old servants, the tient became very weak, and last night entered upon a comatose state, and passed away peacefully this morning, surrounded by his family. The announcement of the baron's death caused widespread regret, for, besides his position in the financial world, Baron Alphonse was known for his lavish charities, one of the latest being the gift of \$2,000,0000 for the erec-

tion of workingmen's homes. news of the baron's death caused a deep impression among financiers generally. It was said that his death would probably momentarily influence the extensive interests in which the house is concerned, but that it would not have a lasting effect on the The deceased will be succeeded as head of the Paris banking house by Baron Lamber de Rothschild, of Brussels, whose business capacity has earned him a worldwide re-

The burial of Baron Alphonse will be most simple, according to the strict rule of the Rothschild family, including a plain coffin, without mourning tributes. The funeral, the date of which has not yet been fixed, will be the occasion of a notable tribute of respect.

member of a French-American banking house said: "Baron Alphonse was the leading spirit of the Rothsly all the governments of Europe. Besides the colossal task of financing the indemnity which France paid to Germany after the Franco-German war of 1870-71, he actively carried on relation other governments. In Italy these included both the Government and the Vatican finances. The house also has large interests in Spain, largely controls Austria's railroad develop-ment, and held considerable parts of the house has not exercised a controlling influence in the new Russian loans. The large industrial interests of the

Marquette Railway, at Detroit, Law Must Take Its Course. Ottawa, May 25. - Nothing is left for the aliens imported from the United States to work on the Pere Marquette here today and had an interview system in Canada but to shake the dust of this country off their feet and return

to their former homes. On Tuesday Mr. Robinson, barrister, of St. Thomas, called upon Sir William Mulock, Min-Pere Marquette employes who are orinformed by Sir William Mulock that the Government had decided that the law must take its course, and that the sary warrants. Evidently this answer did not satisfy the Pere Marquette people, for today their counsel, Mr. Cockburn of Walkerville, came to Ottawa, and interviewed the Premier, the

Minister of Justice and the Minister of Labor, but to no effect. It appears from the report of Judge Winchester that infractions of the alien labor law in the case of the Pere Marquette Railway were particularly offensive to fact the dismissal by that company of Canadians appears to have been made without any consideration what-Accordingly the Government will not fect. The warrants for deportation of the various parties are almost ready to be placed in the hands of Col. Sherwood, and it is probable that on Monday next he will proceed from Ottawa to execute warrants against eight of those who are ordered for immediate deportation. Seven days' time is allowed the railway company to fill the office of one engineer, and 24 days to fill the offices of train dispatcher and manager, at the expiration of which time these officials will be deported.

The department of labor consulted Mr. Harvey Hall, representative of the ailway employes of Canada, and he advised that the time mentioned should given in case of the higher officials. lest their speedy departure from the country endanger the safe-running of rains, but there should be no practical difficulty now in securing a manager Other officials
