## MANUAL TRAINING WILL BE DISCUSSED

Special Meeting of the Board of Education To Be Called for the Purpose.

VERY LIVELY ARGUMENT

Trustee Graham Won His Point for the Time Being-Coal Supplies Under Investigation.

After a controversy extending over in hour and a half, the board of edutem of \$2,000 for manual training cona special meeting before dealing with neglect of duty.

When the matter came up on Mon day, Trustee Graham opposed strongly, and when the question came up again yesterday, he said: "I oppose this estimate from a business standpoint, and I am still opposed to it. I am creditably informed that a large number of the principals of the city schools are also opposed to it, as will take up so much of their time. This is particularly true in regard to entrance classes. I would suggest that before we do anything in the matter

Chairman's Opinion.

RICHMOND

# Full of Easter Activity Finer Easter Millinery Hard to Produce Even in Paris

For in our Millinery Salon the spirit of Paris reigns. Delighted visitors from the first day of our spring opening have been heard to remark that never were the Spring Hats so lovely, so wearable and quaintly becoming.

The crowds that are thronging our Millinery Salon these days would not be there unless they knew there was something worth coming for.

Our Easter Display is worth it, for they are masterpieces from our own workrooms and differ from the Paris models only in their more moderate prices. We need hardly remind you that the days before Easter are few. We will do our best, no matter when you come, but if you want your new Hat for Easter, come as early as you can.
