himself at his home whenever he was On Sept. 27, when he received the bite that was to prove fatal, the wound was so serious that he came again to the insti-tute to have it treated. All the usual efforts failed. So great was the virulence of the poison accumulated in his system from all his remarkably numerous bites that he was taken to St. John's Hospital

Last night he was completely out of his mind and had to be restrained in his bed

bitten during the first week of his employment. After he became expert he seemed to have bad luck, and nearly all of the vicious dogs fell to his lot. Hardly a week passed without his re-

things in our own fair country. Faith- about Yonkers. His friends, many of them prominent local politicians, began to chaff him with his bad luck. During the summer months, when mad dogs are numerous, the number of his injuries always increased, and several times he was confined to bed with symptoms of hydrophobia. He was a robust man, however, and was never. until the last two

ceiving one or more bites; some of them

quite serious, and others but little more

than deep scratches. It got to be some-

Recently the Yonkers newspapers have een regularly chronicling Lees' encounters with stray dogs, and each new bite was duly announced. His remarkable career is known throughout the city. On Sept. 27, the owner of a small fox-terrier noticed that his dog was acting as brought it to Lees, who is also known as a veterinarian. As the owner and dog approached Lees' house at No. 26 William street, Yonkers,

the little terrier leaped at him and sank its teeth in the calf of Lees' left leg. HOW TO SAVE MONEY

he came out to his gate. With a snarl
