A DAY IN THE SPORTING WORLD

SIDE LIGHTS ON
MANY SPORTSWEIR DEFEATED SABINE
FOR QUOTING HONORS

Toronto Fireman Won the American Championship by Score of 61 to 58—Win Was a Big Surprise—Errington Captured the Lightweight Championship.

One of the biggest surprises in years at the Forest City Quoting Club's tourney took place yesterday afternoon when Wm. Weir, the Toronto fire-fighter, defeated Robert Sabine, twice champion, in the finals for the American championship. The game was one of the best ever played on the Horton street grounds, and was witnessed by a large crowd. Weir is a good quoter, but no one conceded him a chance, against Sabine, who is considered the best in Canada. Weir got off to an early lead and he was never headed, although Sabine drew up to within a point of him on several occasions.

On the tenth, twentieth and thirtieth ends there was only one point difference in the two men's lead, at the thirtieth end by the score of 19 to 18. At the fortieth end the score was 25 to 23, in favor of Weir, and at the fiftieth end Weir was still leading by the score of 31 to 28. Sabine drew up closer on the sixtieth end, the score at that stage being 37 to 35, and at the seventieth end the score was 44 to 42. Sabine was playing a great game at this stage, and he drew up still closer to his opponent, the eightieth end finding him only a point behind, with the score 50 to 49 in Weir's favor. On the ninetieth end, Weir had drawn up a trifle, and the score stood 57 to 55. On the next five ends Weir scored 4 to his opponent's 3, and the game ended with the score 61 to 58.

BISONS TURNED
AND BEAT LEAFS

Kelleyville Have Won the Pennant, So Do Not Have to Extend Them-selves.

Toronto, Sept. 19.—The Leafs finally cracked. The strain of the recent winning streak, during which Rochester was bottled out and the pennant nailed to the mast, had its effect yesterday. The new champions lost a game to Buffalo, the first in the series, by 5 to 1. Most of the credit must go, however, to tall pitcher, Beebe, the Bison twirler, who let the Kelleyville down with four hits well scattered. It remained for right-hander to finally stop the Leafs. Jim Thorpe Will Have Plenty of Redskin Company When
He Breaks Into the Baseball Game

Left to Right, George Johnson, Louis Laroy, of St. Paul; Jim Thorpe, "Chief" Meyers, of the Giants, and "Chief" Bender, of the Athletics.

Ever since baseball has been IT on the American sport calendar, the game has had a peculiar attraction for Indians.

Next year, if Uncle Sam is willing, there may be another star added to the galaxy of Indian diamond stars. Jim Thorpe, greatest all-round athlete in the world, has promised Barney Dreyfuss to sign with the Pittsburgh Pirates next season.

Thorpe, the winner of the decathlon and pentathlon at Stockholm, the football captain at Carlisle this fall, wants to break into professional baseball, the sport to which he says he is just a trifle partial.

But before he can sign with the Pirates, Thorpe must get the consent of Uncle Sam. He belongs to the Sac and Fox tribe of Indians, who are still wards of the Government, and who must have the consent of a Government agent before they can transact any business.

WASHINGTON MOVES UP

Won Two From Browns, While Athletics Split With the White Sox—Red Sox Idle.

Detroit, Sept. 19.—Two young Detroit pitchers, Jensen and Wheatly, put the work on a couple of New York's seasoned veterans yesterday afternoon.
Jensen, opposing the snaky McConnell in the premier contest, was steady enough in the pinches to offset the fact that the Yankees lammed him liberally and scored a 7 to 4 victory. Wheatly, in the second game, with Russell Ford in the farwell ruction of the day, and whipped that insatiable but skillful slinger, 4 to 2. The scores:

THREE POST-SEASON
SERIES ONLY THIS YEAR

[Canadian Press.]
Chicago, Sept. 19.—President Ban Johnson, of the American League, returned to Chicago last night from Cincinnati with the announcement that there would be only three post-season series between league teams this year. The one of greatest interest, probably, will be the series between the Boston Americans and the New York Yankees for the world's championship. The other series will be between the two St. Louis teams and the two Chicago teams. In making the announcement, President Johnson said it was evident that Pittsburgh did not want to meet either the Philadelphia or Boston teams, and that there was no prospect of a meeting between the Cincinnati and Cleveland teams for the Ohio championship.

When the Cool Weather Sets in

THERE are English fabrics—the purest woollens and the finest weaves—done into correctly tailored clothing by the digital skill of expert tailors trained in the Semi-ready system.

Semi-ready Tailoring stands alone. We alone have it in this city. Nowhere else can you get it. Yet ours is just the sort of monopoly of a good thing that you like—for we sell Semi-ready Clothes at the same standard label prices at which they are sold everywhere in Canada. You can always buy as cheap; you never have to pay more than the label price. And each cloth quality is sold at the same price here as in the farthest-off city in Canada.

To the fair man, willing to pay for the good quality, knowing well that he gets what he pays for, this trade policy appeals always.
