## WAS TROUBLED WITH Weak and Dizzy Spells. Heart Would Beat Something Awful.

Those feelings of weakness, those dizzy spells which come over people from time to time, are warnings that must not go unheeded. They indicate an extremely weakened

condition of the heart and a disordered state of the nerves. One dizzy spell may pass off, but eventually they will come frequently, and at the same time more serious. Those who are wise will start taking

Milburn's Heart and Nerve Pills before their case becomes hopeless, for they have no equal for restoring the heart to its usual strength, and making the nerves firm and steady. Mrs. Len. Kinney, Moose Mountain,

N.B., writes:-"I was troubled with weak and dizzy spells, and my heart would try one medicine, and then an-45 other, but nothing did me any good until I got Milburn's Heart and Nerve Pills. I can safely say they did me more good than anything I ever took, for I teel like a very different woman. My friends often ask me what I have been taking, and I always say 'Milburn's Heart and Nerve Pills.' I tell all my friends who say their heart troubles them, to take your pills."

Colonel Is Safe and Exploring New Stream in Brazil-End Trip Soon.

[Canadian Press.] New York, March 24.—All feeling of anxiety regarding the safety of Col. Theodore Roosevelt, who is in the jungle in Brazil, has been removed by additional

dvices from Anthony Fiala. Fiala reports that the colonel is good health, and was not with the party that met with mishap. With another party of the expedition, Mr. Roosevelt is exploring the Rio Duivata, or River of Doubt, a hitherto unexplored stream. Fiala says Col. Roosevelt will reach Manaos early in April, the point marking the end of the expedition. From there the former president will start for Madrid to attend the wedding of his son, Kermit. Fiala states that he lost two canoes

loaded with food and equipment, but that his party of eight men are safe. He sent the dispatch from Santarim. Brazil, and was to leave that place for Manaos to-

Mothers should never forget this, because it is one

reason why Zam-Buk is the best thing for children's in-

juries. It stops their crying and gives them ease. Right

from the instant of application healing begins, and

Zam-Buk heals quickly. Note these statements from

"I ran a rusty nail under my thumb nail while at work. The pain was terrible and I feared blood-poisoning from the dirty, rusty nail! I melted some Zam-Buk and ran it into the wound, and it stopped the pain almost instabily.

"In moving some wood in the stove, I burned my thumb very badly. In a few minutes it was covered with a big white b'ister, and the pain was very bad. Zam-Buk was applied, and in quick time it gave me ease!"

If you have some sore place, some skin disease, some cut, or burn or ulcer, why continue to suffer pain? Every hour you suffer is an hour wasted. You cannot do your best work in pain; you cannot enjoy your leisure. Zam-Buk saves far more than it costs, by saving you time in this way.

Zam-Buk is a "short cut" to skin healing. There is nothing which acts so quickly and so surely. Use it for all skin injuries and diseases, Eczems, Ulcers, Blood Poison, etc., and for Piles.
