The Hussars executive met last evening and transferred Tozer from the A. M. C. to the Battery, that player is now eligible to take part in the league. The executive's action was taken as a means of keeping the league intact. The Battery team threatened to drop out unless they were allowed to play Tozer, and as he is now a member of the Battery, the league could not very well prevent

him from playing.

The score of the first game was 26 to 7 in favor of the Battery, and it fairly indicates the comparative strengths of the two teams. The lineup:
