

FIELD DAY IS HELD AT HIGHLAND CLUB

Seventy-Five Are Present at
Club Luncheon Preceding
Afternoon's Events.

Field day at the Highland golf club, arranged by the ladies' committee yesterday, was one of the most successful events in the club's history. Seventy-five members were out for the club luncheon, staying on for the afternoon events.

Following the competitions on the links tea was served in the club house, which had been made attractive for the occasion with autumn flowers and bright garlands.

It was at the tea hour that Mrs. Jared Vining, president of the ladies' committee, presented the prizes for yesterday's events. The season's trophies for both men's and women's events will be presented at one of the dinner dances later in the autumn.

Winners of the events yesterday were as follows:

Best cross score—Miss Isabel Ross, Miss Pauline Fitzgerald and Miss Annie Ross.

**DAY NURSERY ARRANGES
TO HOLD RUMMAGE SALE**

With the approach of the cold weather there are many small children in the city with no warm clothing. Their fathers are out of employment and so have a very small wherewithal to buy them. To meet this situation the London day nursery is holding a rummage sale on Friday and Saturday evenings of this week.

An appeal is being made to the public to supply the necessary warm clothing both for the children and their mothers. Citizens having clothing to spare have but to telephone 6966W, the day nursery, or Mrs. A. T. Edwards at 1619, and the clothing will be called for.

The scheme of the rummage sale gives the mothers the necessary clothing at a very small expense to them and lets them keep their self-respect, because they pay for what they receive.

MAYOR AGREES MERCHANTS BETTER OFF SINCE O. T. A.

Social and Personal

Supports Mrs. Alex. Calder's
Statement That Bad Debts
Are Fewer.

AT VICTORIA CLUB

Mayor George Wenige at a meeting of the Victoria mothers' club last night agreed with Mrs. Alexander Calder that the city merchants have had fewer bad debts since the passing of the O. T. A. than before that time.

The mayor was present at the meeting to speak on "Civic Affairs." It was during an address on the coming plebiscite given by Mrs. Alexander Calder that the mayor was appealed to on the subject.

"The merchants have had fewer bad debts in their books since the passing of the Ontario Temperance Act," declared the speaker. Then, turning to the mayor: "Is that not true, Mr. Mayor?"

"That's perfectly true," replied Mr. Wenige.

Mrs. Calder in her address urged the mothers of the city to use their vote on Thursday for the good of others who suffer through the evils of strong drink.

The mayor in his address declared that the young people of the community should be educated in municipal affairs just as they would be educated in their private business. If the people of the community understood civic business in the way it should be understood, there would be no question but that the taxes would be lowered.

Mrs. A. A. Morrison, child welfare representative, spoke of the home nursing classes which that organization was anxious to get started in the city.

The new head of the school, Principal Kirkwood, was present and received a warm welcome from the mothers. Mrs. C. E. Carruthers, the president, was in the chair.

A very fine musical program included a vocal solo by Miss Gladys McEvoy, reading by Miss Gladys McEvoy, reading by Miss Gladys McEvoy, reading by Miss Gladys McEvoy.

Miss Maud Norris (piano), Miss Dorothy Roy (violin), Frank Whitehouse (violin), and Mr. McGuire (cello).

At the close of the meeting a social half-hour was spent, refreshments being served by Mrs. C. W. Desand and her committee.

The club is planning a Halloween party to be held on Thursday, Oct. 30.

The meeting closed with prayer by Mrs. W. S. Laidlaw, after which refreshments were served in the Sunday school room.

**Bobby Coon Is Greatly Troubled For
He Thinks He Has Been Trapped**

By THORNTON W. BURGESS.

Bobby Coon liked the brisk, cool October nights. They made him feel good all over. He knew it wouldn't be long before the season of snow and ice when he had to work to find anything to eat. He meant to sleep then. But before that time he must get fat. He must get as fat as possible. It was fun getting fat. You see, he had a splendid appetite. No matter how much he ate it seemed as if he could always eat a little more.

Bobby had been feasting on beech-nuts. Wild grapes had been plentiful, and he had had his share. He knew where there were plenty more. But this night Bobby was hungry for fish. It seemed to him that nothing would taste quite so good as a fish.

"I'll go down to the Laughing Brook and try my luck," said Bobby to himself. The Laughing Brook is low. There ought to be some fish in some of the little shallow pools. My, my, how good a fat trout would taste!

So Bobby Coon headed for the Laughing Brook. He didn't hurry. There was no use in hurrying. Truth to tell, he was fat. But he wanted to get still more so. He headed straight for a certain little pool he knew of. He approached it very slowly and quietly. The moon was shining. Bobby was glad of that. It shone right into the little pool. His eyes sparkled. There were several little fish in that shallow pool. They had been trapped there by the falling water. There was no way for them to get back into the Laughing Brook.

For a little while Bobby Coon was perfectly happy. One by one he scooped those little fish out, washed them and ate them. When he had caught and eaten the last one he tried to make up his mind where to

A pleasant event took place at the home of Mr. and Mrs. William Wood, Euclid avenue, recently, when a number of their friends gathered there to celebrate with them their twenty-fifth wedding anniversary.

They experienced a happy surprise when during the course of the evening they were presented with a silver basket filled with pink carnations. The address was read by Mr. J. C. Young and the presentation made by Mr. H. B. Spaul. The evening was spent in music and games, at the conclusion of which supper was served. Mrs. H. B. Spaul and her daughter, Miss Emmeline Spaul, and Mrs. Jack Allison acting as hostesses.

The civic banquet which will be tendered to the delegates to the Western Ontario women's institute convention here on Nov. 4, will be an important event. Held at the Smallman and Ingram tea room, the mayor's wife and wives of the city aldermen will act as hostesses. In former years it was the Women's Canadian club which had the privilege. Special guests on this occasion will be the Hon. J. S. Martin, minister of agriculture, and Mrs. Martin, Sir Adam Beck, and Miss Marion Beck and George A. Putnam, superintendent of the women's institute department of the Ontario government. Those acting as hostesses will be Mrs. G. A. Wenige, Mrs. J. A. Anderson, Mrs. A. M. Towse, Mrs. L. H. Douglass, Mrs. H. Bottrill, Mrs. G. F. McKay, Mrs. E. Warren, Mrs. G. B. Drake, Mrs. Ed Hayden, and Mrs. E. Smith.

The home of Mr. and Mrs. James Bone, Saunby street, was the scene of an interesting event this week when they marked their fortieth wedding anniversary. Between forty and fifty guests were present for the occasion, Miss Myrtle Harvey coming from Detroit and Mr. and Mrs. Brimington from Toronto. During the day the happy pair were showered with quantities of cut glass and silver, as well as flowers. A beautiful bouquet of flowers came from their daughter, Mrs. Floyd Jones, and Mr. Golding of California. The house was beautifully decorated with pink roses and white chrysanthemums and white wedding bells.

Among the immediate relatives present were a son, Mr. William Bone; another son, Mr. Chester Bone, and Mrs. Bone and two children; Mr. and Mrs. George H. Harvey, the latter a sister, and Miss Margaret Stacey, another sister of Mrs. Bone.

Mrs. Alex. Purdon's home on King street was the scene of a very charming bridge given yesterday afternoon, under the auspices of the Harriet A. Bommer Chapter, I. O. O. E. Mrs. W. H. Line, regent of the chapter, received with the hostess. Many guests enjoyed the afternoon and evening tea and bridge.

Remarkable Results Shown by a Nation
Wide Canvass of Women Purchasers of
Lydia E. Pinkham's Vegetable Compound.

220,000 Women Answer

For some time a circular has been enclosed with each bottle of our medicine bearing this question: "Have you received benefit from taking Lydia E. Pinkham's Vegetable Compound?" Replies, to date, have been received from over 220,000 women answering that question.

98 per cent of which say YES. That means that 98 out of every 100 women who take the medicine for the ailments for which it is recommended are benefited by it.

This is a most remarkable record of efficiency. We doubt if any other medicine in the world equals it.

Think of it—only two women out of 100 received no benefit—98 successes out of a possible 100. Did you ever hear of anything like it? We must admit that we, ourselves, are astonished.

Such evidence should induce every woman suffering from any ailment peculiar to her sex to try Lydia E. Pinkham's Vegetable Compound and see if she can't be one of the 98

THE LYDIA E. PINKHAM MEDICINE CO., Lynn, Mass.

Of course we know that our medicine does benefit the large majority of women who take it. But that only two out of 100 received no benefit is most astonishing. It only goes to prove, however, that a medicine specialized for certain definite ailments—not a cure-all—one that is made by the most scientific process; not from drugs, but from a combination of nature's roots and herbs, can and does do more good than hastily prepared prescriptions.

You see, we have been making, improving and refining this medicine for over 50 years until it is so perfect and so well adapted to women's needs that it actually has the virtue to benefit 98 out of every 100 women who take it. Its reliability and recognized efficiency has gained for it a sale in almost every country in the world—leading all others.

Bobby was curious. He wanted to feel around inside clear to the bottom of that little can to find out if there was anything in it. He pushed and pushed until at last his claws could just touch the bottom. There was nothing in that can. Then he started to pull his hand out. But it wouldn't come out.
