SPECIAL TO THE DAILY BRITISH COLONIST

Awful Suffering in Australia.

New York, August 20-Australian advices state that a devastating calamity had visited that country, a five days' rain causing terrible floods, and a five days' gale, which drove many wrecks ashore. Hundreds of houses were swept away, crops were ruined, and many lives lost. Hundreds were rescued. from tops of trees and roofs of houses, etc Hundreds are houseless, naked and starving.

Eastern States.

NEW YORK, August 20-A Galveston despatch says the yellow fever is worse there than was ever before known. There were 787 deaths last week.

Canada.

London, August 20-Lord Monck remains no longer at the head of the Government of

[BY ATLANTIC CABLE.]

Europe.

SALSBURG, August 18-Napoleon, Eugenie. the Emperor and Empress of Austria and King of Bavaria arrived to-day and met at a grand dinner given by Francis Joseph. The French Minister of Foreign Affairs and Von Buest, the Austrian Premier, have also arrived, and a conference between the sovereigns will take place to-morrow. LONDON, August 19-It is reported that the Sublime Porte has received an urgent

note in behalf of the suffering Cretes from the Government of the United States. VIENNA, August 19-The Austrian Government pledges itself to enlarge religious and civil liberty to the Protestant inhabit-

ants of the Empire. From Grouse Creek.

QUESNELLEMOUTH, Aug. 23, 10 a.m. Since the Governor left the Sparrowhawk Company have jumped the Flume Company's Ground. Booth has been elected Foreman.

The jumpers are working all the Flume ground. Ball issued an injunction. They refused to obey and declared in open Court they would work the ground in

spite of all restrictions Canadians refused to obey. The Commissioner is perfectly powerless.

False Faces.

Men will cling to their ideal of a woman's face for years after the woman has utterly Warrants of arrest were issued. The | negatived every expectation to which it gave a prompting. They will watch as patiently and as perseveringly sometimes for the due sentiment to come to its surface, and play upon it as the angler watches his trout-flies [Upon receipt of above, we telegraphed on the surface of the stream. This very and sisters so usually quarrel when living together is, that they are thoroughly up in every move and thought in their own circle. Faces tell no untruths to them. They make no allowances on the score of expression, and sisters who would be amiable before strangers will not care to rehearse in private. They wear a look for the guest, and a look for the that can make him happy. The lady who sits opposite may either have this as an in-heritance or put on something like it when she dresses. If her attractiveness be from the first source she deserves no credit for it founded, that 40,000 troops have been and her character may utterly belie it; if she accomplishes it by the second plan, her admask for society with which nature has provided the sex. This is what is meant by the saying, that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woman is seldom unmarried based on the saying that a woma save through her own fault. Every woman the lover whose infatuation is sufficiently SALESBURY, Aug 19.—The Emperors profound and desperate to bring him to the their arrival Napoleon had been treated speculating of admirers. A man who has with marked honor and consideration. It plunged hopelessly into a sentimental attacha steady and euduring pertinacity, if only fairly encouraged; and nothing will bring him more swiftly or more assuredly to this

timental aspect of false faces, it is curious to notice what complete changes in the character of a countenance is effected by age, and Company vs. Williams and Guoin resulted death lays its hand upon it. Apart from the assessed at £13,000. This suit grew out unquestionably an unaccountable relapse into ly dropped years ago. One of the most touching incidents of the death-bed is the recognition by parents and relatives of a prorogued to-day, the Queen not being parted, and of an expression associated with youth and freshness oe the face of the dea schooltime, boyhood and the spring of life. when lying at rest, have little of the ruggedproved futile and the attempt at revolt has been suppressed almost without bloodshed by the valor of the troops, the vigilence and activity of the police and series and activity of the police and suppressed almost without a strange beauty at the close, and a score of years, with the furrows and the lines of years. vigilance and activity of the police and the general loyalty of the people. The the beautiful childtime to return again. Or law has been vindicated without the sacrifice of human life. The speech refers with satisfaction to the new postal treaty with satisfaction to the new postal treaty with the United States, and in conclusion congratulates Parliament and the country on the completion of the Canadian Union, the completion of the Canadian Union Union Union Union Union

By Glectric Telegraph the passing of the Reform bill and the adistinct and final manifestation. The adoption of other measures beneficial to the United Kingdom. often seem worn and weary, and even convulsive to those who look on us in that state. We do not east away the false face at night. We bear it as our thoughts have formed it, and our working existences, but at the finish we are done with it. The face of a dead wife will seem far more familiar to those who who has known her as husband for more

years than they have seen her. With all faces we should be tolerant. Men and women hide themselves from each other by face as well as by words, and after awhile the effort costs them nothing; the expression is set: Your physiognomist is as great a fool as your lover, and just as likely to be mistaken. No one except a born idiot who is sealed on the forehead with idiocy, would carry his true inner character into the market world; and no woman ever does. But what we cannot perceive may not be so bad, and may be better than that which we think we withdraw Hancock from the plains. The language. Motley in faces is our only wear language. Motley in faces is our only wear during life; in death we shall be fixed and placed generally. consistent, smiling and placid generally
